Normandie Towed to Scrap Pile

The former French liner Normandie, stripped of her superstructure, is guided through New York Harbor by a team of tugboats as she is towed to Port Newark, N. J., to be scrapped. The 68,350-ton ship which burned while being converted into a troop transport at the start of World War II, was sold recently for \$161,680. At right background can be seen the Statue of Liberty.

Former Local Man Reported Missing From U. S. Vessel

Port Jervis Senior Is Hurt in Game With Middletown

Earl Goodfellow, 17-year-old senior at the Port Jervis High School football team, was reported to be in "very critical condition" this afternoon following an operation performed late Thursday evening due to an injury received during the Port Jervis-Middletown game, Thanksgiving Day afternoon.

Goodfellow was rushed to the St. Francis Hospital in Port Jervis Thursday when he felled up as though he had a sunstroke late in the second period. Doctors announced after an examination that the young scholastic grider was suffering from a serious brain condition. An operation was performed and a number of blood transfusions were administered.

According to Ralph Fredericks, sports editor of the Port Jervis Independent, last rites were given for the last night, following the operation.

Goodfellow, one of Port's best players, and who was selected to play in the Freeman All-DUSO game, tumbled to the ground on a play from deep in Port's territory just before the second half ended. Players and officials at the Port team were unaware of the incident until Goodfellow was rushed to the hospital.

Garrett Newkirk Was on Trip From Norfolk to Washington; Window Open

Garrett Newkirk, 48, formerly of Kingston has been reported mysteriously missing from the S.S. District of Columbia, which docked Thursday at Washington, D. C., on a trip from Norfolk, Va.

When the ship docked Captain Edward E. Eaton, master of the ship, told police that Newkirk, a former American Red Cross field director, was missing. Captain Eaton said he had found the missing man's stateroom window open and his luggage and wearing apparel still in the room. Mr. Newkirk, a former O.P.A. official, was last seen by him when tickets were collected Wednesday night as the ship was passing Old Point Comfort, Va.

Police believe the missing man, who had been married and twice divorced, may have made away with himself. E. S. Van Deusen, husband of Cornelia Newkirk Van Deusen, a cousin of Newkirk, said Mr. Newkirk served with the Red Cross in both European and Pacific theatres and had not been feeling well for some time since his return from the war.

Garrett Newkirk, known among his friends as "Jack" Newkirk, is a son of Frank Newkirk of 307 Washington avenue and attended local public schools and during World War I served with the United States Navy. He was at the time employed as a reporter by The Freeman and later was traveling agent for the Hudson River Day Line. Later he was a salesman for the National Biscuit Company locally as a salesman and later was in the employ of that concern traveling in the interest of the company over the eastern portion of the United States.

Boy, 11, Is Killed In Fall; Suffers Fractured Skull

David James White Was Playing in Yard of His Home; Was on Truck

David James White, 11-year-old son of Mr. and Mrs. Leonard White of the East Chester street, was injured fatally in a tragic Thanksgiving Day accident while playing in his yard, a few hours before the family was scheduled to eat Thanksgiving dinner.

The tragedy occurred about 10:30 a. m. while young David, who observed his eleventh birthday on Tuesday was playing around his father's truck. It is believed that while on top of the truck he must have lost his balance and in falling from the rear of the vehicle, struck his head on an iron tank lying in the yard.

Dr. Alfred Harder was called but found the child dead on his arrival, death apparently having been almost instantaneous. An autopsy performed by Drs. Spitzwood Taylor and Harder disclosed a skull fracture.

The youngster was a pupil of School No. 6.

Surviving in addition to the boy's parents, Leonard D. and Mildred H. White, are two sisters, Edna and Elizabeth; and three brothers, James, Edmund and Frank White, all at home. Funeral services will be held from the W. N. Corner Funeral Home, 296 Fair street, Monday at 3 p. m. Burial will be in Montpelier cemetery.

The accident was investigated by Sheriff George C. Smith and Deputy Sheriff William Frost. Coroner Ernest A. Kelly also was called. The White home is located just over the city line on the bypass in the Town of Ulster.

Kingston Wins DUSO Title; Big Victory Rally at Stadium Tonight

Supervisors Vote City Part in Welfare District

Resolution Gives 2-Year City Membership; Will Seek to Have Bill Passed in '47

A resolution was adopted Wednesday by the Board of Supervisors accepting the application of the City of Kingston to become a part of the newly created Ulster County Public Welfare District when that district is formed on January 1, 1947. The resolution of approval which had been adopted by the Common Council requesting entrance into the new set up was received and read and filed.

The resolution replaces a former resolution adopted by the Common Council on November 7. The resolution requested that the necessary legislation be enacted at the 1947 session of the State Legislature to create the district and to make valid acts which may have been done prior to enactment of such legislation.

It was the intention of the lawmakers to have the necessary legislation passed at the last session of the Legislature, but through oversight the necessary legislation did not become law and the enactment of legislation will be sought early in the 1947 session so that the city and county may come under one welfare district.

Under the resolution the city of Kingston will become a member of the County Public Welfare District for a period of two years. The vote was unanimous for the creation of the consolidated welfare district.

The Committee on Insurance reported claims amounting to \$6,487.38 to be valid claims and it was moved that the sum of \$3,378.84 be assessed and levied on the county and that the balance be levied against the county outside the city of Kingston. This is for insurance of property in which the city does not participate.

The Committee on County Judge and District Attorney made a second report in which bills amounting to \$807 were audited and found to be just claims and it was moved that this sum be assessed and levied on the county. Over.

On adoption of the equalization table which was presented at a prior session by the Committee on Equalization and moved for adoption, there was a brief discussion but the table was approved by a vote of 26 to 3. Supervisors Battenfeld of Hurley and Jordan and Williams of Kingston city objected.

On the call for adoption Supervisor Battenfeld of Hurley asked why his town had been cut one point from the table of 1945. He said he had believed when the table was presented for consideration that his ratio was the same but learned later, after he had raised no objection, that his town had been cut a point. He said his town was the only one which had been cut.

Chairman Murray stated that Mr. Battenfeld had seen the table prior to its being presented and made no objection.

"I thought the ratio was the same," he said.

Police Probe Fires In Northern Ulster, Greene Co. Areas

Barns, Haystacks, Road Grader Are Destroyed; Fire-bug Working, Is Belief

Several fires in northern Ulster and lower Greene county during the past 48 hours have led State Police to believe a fire-bug is operating in that locality. The Ulster and Greene county Troopers have joined forces in an investigation of the epidemic of fires which have destroyed three barns and damaged other property.

Early Wednesday morning a large haystack on the Tice farm at Katsbaan was burned and about 11 o'clock that night a large three-story barn on the Charles H. Saile farm was destroyed by fire.

Members of the Saile family were at home when the fire was first observed and Mr. Saile made an attempt to extinguish the fire which appeared to have been started on the second floor of the building. Unable to put the fire out Mr. Saile turned his attention to getting livestock from the building and the Centerville and Palenville fire departments were summoned. All of the livestock except a calf and a pig was removed from the building which was destroyed. Firemen were able to save the farmhouse but the barn, a shed and a large chicken house all were destroyed. Some nine head of livestock and about 350 chickens were saved.

Lasher Barn Burns

About a half hour before the Saxton fire was discovered a barn on the William Lasher farm about five miles away was discovered on fire. Located at Lawrenceville, Greene county, the barn was completely destroyed together with about 20 tons of hay, a new hay-loader and a new corn husker. The barn was located a considerable distance from the house.

The third barn destroyed was discovered on fire at 2 a. m. Thursday on the Ira Pfister property on Route 23-A, Catskill. This property is located not far from the scene of the other fires. While this barn was a large one it did not contain much of value.

Road Grader Afire

Later Thursday morning a state highway grader on Route 9-W just south of the Greene-Ulster county line was found on fire. Whether this was of incendiary origin or was due to a short circuit, investigating Troopers had not determined.

All of the fires were reported to the State Police at Catskill and at Lake Katrine and an investigation is being made by the combined forces. Sergeant Arthur Reilly and Corporal Ray Dunn of the Lake Katrine barracks and Corporal Knight of Catskill B.C.I. unit are conducting an investigation.

Parade Will Start From KHS at 7 P.M. to Celebrate Thanksgiving Day Win; Kingstonians Give Team Support

A gigantic celebration, including a parade, pep meeting, speakers, bonfire and a dance, in honor of Kingston High School's first DUSO League championship football team since 1936, will be held this evening starting at 7 o'clock from the high school on Broadway. Led by the Maroon and White band, the parade will move up Broadway to the municipal stadium where the other features of the post-season celebration will take place.

Tonight's victory parade, planned in advance, will honor the players of K.H.S. who clinched the DUSO League bunting Thursday afternoon in Newburgh by scoring a 13 to 0 victory over Newburgh Free Academy in the traditional Turkey Day classic.

Following the stadium pep meeting, a dance will be held at the Y.M.C.A. under the sponsorship of the Hi-Y organization.

Headlining the list of guest speakers at the rally tonight will be Clarence Rowland, former member of the Board of Education; Clarence Dumm, principal of Kingston High School; Coach Willard Burke, and G. Warren Kias, advisor to the Hi-Y boys. Dick McCarthy, local radio personality, will act as master of ceremonies.

Tonight's fete was planned before and does not apply, and the court's right to enjoin a walkout in the soft coal mines despite Federal anti-injunction laws.

Overruling Lewis' motion for dismissal of the contempt action brought by the government, Goldsborough declared:

"The Norris-La Guardia Act did not and does not apply, and the court has the same rights as it had prior to passage of the Norris-La Guardia Act."

Goldsborough said his court had the right to enjoin "a labor union which was about to do something against the good of the public and the union itself."

Lewis and his United Mine Workers contended that the Norris-La Guardia Act, curbing the use of restraining orders and injunctions in labor disputes, nullified Goldsborough's restraining order of Nov. 18 and was grounds for dismissal of the whole contempt of court action, saying Lewis had the right to ignore it.

Other attorneys on the other hand contended the law did not apply where the government itself was acting as operator of the 3,300 soft coal mines seized during another crippling strike last spring.

Cuts Argument Short

Goldsborough's ruling cut short a day and half of argument by attorneys for Lewis that the court lacked authority to restrain the U.M.W. from terminating its government contract. This notice by Lewis was followed by a walkout of 400,000 miners.

"The court repeats," Goldsborough said, "that this proceeding was for the sole purpose of maintaining the status quo in this dispute."

Before handing down his decision, the judge had remarked that Lewis in effect had "pleaded guilty" to contempt by refusing to obey the court's order to keep the coal contract in force.

This was promptly challenged by one of Lewis' lawyers, T. C. Townsend, who said:

"He hasn't entered any plea of guilty, your honor."

After some argument over legal technicalities, the judge ruled:

"The motion to discharge and vacate the motion is overruled."

He then called a five minute recess. Chief Government Counsel John F. Sennett announced that the government was ready to present its first witness against Lewis.

Navy Captain N. H. Collisson, federal coal mines administrator.

In his statement leading up to dismissal of the U.M.W. motion, Goldsborough declared that the court had a right to enjoin "a labor union which was about to do something against the good of the public and the union itself."

Today's session opened with a renewed defense attempt to win dismissal of the contempt action against Lewis, who as before, sat with jaw upturned, rarely speaking to his former legal battery.

Claims Government Case

Through Attorney Edmund Burke, Lewis claimed the government's case actually is a criminal action instead of a civil proceeding, is discretionary, and therefore could be thrown out.

On the argument, the judge interrupted to say:

"The restraining order was not issued for the purpose of punishing a contempt of the Smith-Connally Act, which forbids strikes against the government, but for the purpose of letting the government know whether the coal contract with the government could be terminated."

"This is not a punitive proceeding," Burke declared.

"I don't exactly say I said it was a criminal case," he also declared.

"If you know the exact difference between a civil and a criminal contempt, you are the only person in the United States who does."

Says Norris Act Has No Application

Judge Says Court Had Right to Prevent Any Acts Against Public Good

Overrules Motion

Plea by Lewis Counsel Brings Negative Reply From Judge

Washington, Nov. 29 (AP)—Federal Judge T. Alan Goldsborough ordered John L. Lewis to trial for contempt today and upheld the court's right to enjoin a walkout in the soft coal mines despite Federal anti-injunction laws.

Overruling Lewis' motion for dismissal of the contempt action brought by the government, Goldsborough declared:

"The Norris-La Guardia Act did not and does not apply, and the court has the same rights as it had prior to passage of the Norris-La Guardia Act."

Truman Is Urged To Stick to Major Issues in His Bid

Middle-of-Road Proposals Are Suggested by Democrats; Labor Is Big Item

By JACK DELL

Washington, Nov. 29 (AP)—President Truman reportedly is being urged by some of his friends to center his fire on a few major issues in recommendations to the new Republican-controlled Congress.

Several influential Democrats said privately they hope Mr. Truman produces middle-of-the-road proposals for legislation on labor, housing, taxes and expenditures, the military draft and possibly army-navy merger.

They would prefer that he not attempt to cover the broad field of suggestions he made to the last Congress.

At that time Mr. Truman asked a legislative branch nominally controlled by the Democrats to act on 21 separate proposals. Republicans and anti-administration Democrats joined in smacking down many of these and altering others out of recognizable form.

With the Republicans now in control of the legislative machinery and likely to pursue their own objectives, many of the Democrats think it would be wise for the President to present his ideas only on the top issues.

Hunter Is Taken To Local Hospital

Freak Accident Reported Cause of Leg Wound; Is Investigated

George Forrest, 437 63rd street, West New York, N. J., victim of a freak hunting accident on Thanksgiving Day, is resting comfortably at the Kingston Hospital today.

Forrest was accidentally shot through the calf of his left leg by his own rifle when he pulled the firearm toward him by the barrel. The rifle was lying on the floor of Forrest's car when the accident happened. The discharge struck Forrest squarely in the left calf.

Forrest was taken to the hospital by three members of his hunting party, David Bender of West Shokan, and Matthew Froehlich (Continued on Page Thirteen)

Begins Prison Term

Warwick, England, Nov. 29 (AP)—Ellen May Young, 26-year-old factory girl began a nine months prison term today for masquerading as a man and "marrying" another girl. She had pleaded guilty to charges of "making a false declaration for the purpose of procuring marriage." During her trial the prosecution said Miss Young "went through a form of marriage last September with Irene May Palmer, also 26, a domestic servant. Miss Young said she 'married' because the other girl threatened suicide unless a wedding took place."

63 Persons Are Killed in U. S. In Holiday Traffic Accidents

(By The Associated Press)

Traffic accidents cost the lives of at least 63 persons more than the toll estimated by the National Safety Council—as the nation observed the Thanksgiving holiday yesterday. Violent deaths from miscellaneous causes totaled 13.

The safety council, which today reported 312 traffic fatalities in October and a total of 27,821 for the first 10 months of 1946, had estimated 50 persons would die in major mishaps on the holiday. It said, however, that normally 110 persons are killed in traffic on a November Thursday, including deaths occurring later from injuries suffered that day.

California, Illinois and Michigan each reported five traffic deaths yesterday while four fatalities each were reported in Arizona, Florida, Georgia, New York and Ohio; three each in Indiana and

New Fighting Is Reported Between Indonesians, Dutch to End Truce

Batavia, Java, Nov. 29 (AP)—New fighting was reported today to have broken out between Indonesian Republicans and Dutch forces, ending a short-lived truce in the 15-month-long East Indies revolution.

Only two weeks ago delegates of the two governments initiated a provisional agreement for an armistice in a tentative union with the Netherlands.

The Indonesian Information Ministry said hostilities began yesterday, were under way on all fronts and threatened to become more serious. Dutch tanks are moving toward Bekasi, 15 miles southeast of here, the announcement said and the army of the Indonesian Republic has cancelled all leaves.

The clashes were reported to have been touched off by Indonesian refusal to accept a Dutch

Army ruling allowing no Republican soldiers within two kilometers (about one and a quarter miles) of allied perimeters.

A Dutch Army spokesman, however, said that while the military situation in Java had gradually been deteriorating in the last two months there was no truth in the Indonesian reports that fighting had broken out on all fronts.

He said only the normal number of minor clashes had been reported in the last 24 hours and flatly denied the reports of fighting at Bekasi.

The Indonesian Information Ministry, in a communique issued after publication of the Dutch report, affirmed its earlier report that small scale clashes had broken out along western frontiers and that Republican Army leaves had been cancelled.

The reported renewal of hostilities came as the Hague government was preparing to submit the

independence agreement for parliamentary approval.

This agreement, announced November 12 and initiated three days later, recognizes the Republic's de facto authority over Java, Sumatra and Madoera and calls for establishment by January 1, 1949, of a United States of Indonesia and a Dutch-Indonesian Union for joint handling of foreign relations, defense and "as far as necessary, finance."

Both parties pledged reduction of armed forces in the Indies "directly after conclusion" of the agreement through its approval by the respective parliaments and its formal signature.

The governments of the Indonesian Republic, the Netherlands and Britain which also has troops in the Indies, signed a truce agreement October 14. On November 4, the respective commanders-in-chief gave cease-fire orders to be carried out by November 20.

Increases Recommended

New York, Nov. 29 (AP)—Pay for public school teachers for 1947 will be increased by \$100, according to a report today by Mayor Erasmus.

The 1947 budget for the city of New York, which was approved by the Common Council, provides for a 5% increase in the salary of teachers, from \$2,500 to \$2,625, and for a 5% increase in the salary of principals, from \$3,750 to \$3,937.50.

The budget also provides for a 5% increase in the salary of superintendents, from \$10,000 to \$10,500, and for a 5% increase in the salary of assistant superintendents, from \$7,500 to \$7,875.

The budget also provides for a 5% increase in the salary of school board members, from \$1,500 to \$1,575.

B. R. Tuttle, 77. Has Heart Attack, Dies at His Home

Burdette R. Tuttle, 77, died suddenly of a heart attack about 10:30 o'clock Thursday evening in the cellar of his home at 16 Ponckhockie street.

Mr. Tuttle, according to Coroner Ernest A. Kelly, was apparently in good health throughout the day, and that night he had gone to the cellar to bank the heater for the night when he was stricken.

Dr. Leon Gray, who had been called to the house, found that Mr. Tuttle was beyond medical aid when he arrived.

Mr. Tuttle, who has been a resident of the Ponckhockie section of the city for a number of years, was for years employed as a foreman for the Union Switch and Signal Co., retiring from active service some years ago.

During the years he had resided in Ponckhockie he had been active in the religious and civic life of the community. He was an active member of the Ponckhockie Congregational Church, and represented that church in the Kingston Council of Churches.

His wife, Mrs. Bessie O. A. Tuttle, for years has served as organist at the Ponckhockie church,

and is widely known in local musical circles.

Funeral services will be held from the home Saturday afternoon at 1 o'clock, with burial in Wallingford, Conn.

Surviving are his wife, Mrs. Bessie O. A. Tuttle; four sons, Burdette R. of Ponckhockie Plains, N. J.; Lauren P. of Chattanooga, Tenn.; Marvin B. and Harold B. M. of Washington, N. J.; a stepdaughter, Mrs. Françoise South of Jamaica, L. I.; and a stepson, Frank O. Anderson of Larchmont; and a brother, Merwin D. Tuttle of West Haven, Conn., and nine grandchildren.

Case Is Mystery

Easthampton, Mass., Nov. 20 (AP)—Five days after Donald R. Tuttle was found dead in the woods, investigators today were still unable to say how the wealthy, socially prominent textile manufacturer met death.

Developments in the strange case appeared to center on a cocktail party given by Green on Saturday afternoon when he invited some members of the Smith College faculty and other friends to listen to a broadcast of the Harvard-Yale football game. Several of these present said that the party was an "ordinary party with everyone in a jovial, friendly mood." It broke up at about 4:30 p. m., police said.

Ten is believed to have originated in south central Asia.

At Pine Hill, where interment took place, military honors were conducted at the grave by a firing squad and two buglers, all from Pine Hill.

William D. Addis, well known Catskill resident, and representative of the Knickerbocker Ice Co. houses along the Hudson river for many years, died Monday in his home in that village. Funeral services were held Wednesday at 2:30 from the Kortz funeral home, 60 Prospect avenue, Catskill. The Rev. John J. Van Heest officiated, and burial was in Catskill Rural Cemetery. Born in Kingston on September 22, 1871, the son of David R. and Rebecca Addis, Mr. Addis had been a resident of Catskill for the past 31 years. He was superintendent of the Knickerbocker Ice Co. houses for over 35 years, until the concern went out of business. Mr. Addis operated a magazine and candy store in the former Knoll building on Main street about 15 years ago. He also was a licensed real estate broker. Mr. Addis was a member of Catskill Lodge, No. 463, F. & A. M., and for many years had been active in the Dutch Reformed Church, serving on its consistory and as its treasurer. Surviving are a daughter, Miss Helen Addis of Catskill; a son, Leroy Addis of Hudson; and a brother, Clifford Addis of Kingston, and several nieces and nephews.

The funeral of Mrs. Jane V. Rafferty, wife of the late Frank T. Rafferty and beloved mother of Edward and Frank W. Rafferty, was held from her late home at 9 o'clock and at St. Mary's Church at 9:30 o'clock. A Mass of requiem was offered for the repose of her soul. The celebrant of the Mass was the Very Rev. Msgr. Martin J. Drury, P.R., V.F. Seated within the chancel were the Right Rev. Msgr. Stephen P. Connelly, the Rev. John D. Simon and the Rev. Francis J. Molony. Responses to the Mass were sung by the children's choir under the direction of Theodore Riccobono, organist. At the offertory the "Ave Maria" was sung. During the time the deceased reposed in her home a large number of relatives and friends were called to pay their last respects and offer sympathy to the bereaved family. The casket was banked with beautiful floral pieces, these together with numerous Mass cards attested the esteem in which the deceased was held. The clergy who called at the home were Msgr. Drury, Msgr. Connelly, Father John Brown and John A. Flaherty. On Thursday evening Father Flaherty led the assembled relatives and friends in the recitation of the Rosary. The bearers were John Reilly, John Boyle, George Betts and Christopher Perry Jr. Burial was in the family plot in St. Mary's cemetery where the final absolution was given by Msgr. Martin J. Drury.

Flashes of Life Sketched in Brief

By The Associated Press
Bremen. Save My Bird
Coffeyville, Kas., Nov. 29 (AP)—Mrs. R. H. Gillespie's Thanksgiving dinner was a success—thanks to the fire department.
Just as she completed plans for yesterday's feast, her turkey flew the coop—into a tree in a neighboring yard. Hysterical, she chased the bird, and they shot the end out of the tree.

Unlucky
Denver, Nov. 29 (AP)—Mrs. Theresa Aragon would just as soon forget Thanksgiving Day.
The 26-year-old woman went to the hospital for treatment of cuts and bruises after the car in which she was riding with her husband, Conrad, was involved in a collision.
Her brother-in-law, Fares Aragon, started to take her home from the hospital in his automobile and it, too, collided with a car. Mrs. Aragon went back to the hospital for treatment of more serious cuts and bruises.

MOTHER GRAY'S SWEET POWDERS
Thousands of parents have found Mother Gray's Sweet Powders a pleasant alternative for children. And equally good for themselves—to relieve the distress of occasional constipation. Keep on hand for times of need. Package of 16 easy-to-use powders, 5c. Sold by all druggists. Caution: use only as directed.

Hungry
San Diego, Calif., Nov. 29 (AP)—Mrs. Terry Cleland's dinner table was devoid of its Thanksgiving turkey because it was roasting—all roasted—in the refrigerator at the police station as evidence against a man accused of stealing it.
The heartless thief also took a ham and a roasting pan from her oven.

Plus Market
Chicago, Nov. 29 (AP)—Most of the cattle coming into Chicago land in the stockyards but a 450-pound heifer is going to get a chance to walk right into a Michigan avenue hotel.
The heifer will be taken to the gold room of the Congress Hotel and will be auctioned off to members of the Shorthorn Club at their annual banquet.
Col. J. E. Halsey of Des Moines, Ia., will be the auctioneer.

Woodstock Post Auxiliary Plans Castle Point Trip

Woodstock, Nov. 29—At the last regular meeting of Woodstock Post American Legion Auxiliary, held Nov. 20 in the clubhouse on Allen hill, the Auxiliary came forth with some fine activity programs for the coming month.

The third District has asked for 600 articles for the gift shop for hospitalized veterans to send to their loved ones at home. All gifts costing not less than 50 cents may be left at the Dairyland store. Any gift contributed, with the exception of jewelry, is assured the appreciation of the Post, the veteran, and the eventual beneficiary.

Fifty-five per cent of the benefiting veterans of this plan are victims of tuberculosis. Tomorrow is the deadline for contributions.

Donations are also being asked for the annual pilgrimage to Castle Point which will be made December 15. This is the one day of the year that Woodstock shows the men of the two World Wars in our time, that they are not forgotten, that they still are in a veterans' hospital. To date three lap robes and some pillows had been received. The Auxiliary requests some little gift be donated. The gifts will be wrapped in the Legion rooms December 14.

On Sunday, November 24th, the Legion and Auxiliary attended a memorial service given in honor of Robert O. Russell of Shady. Robert Russell was the only boy from Shady to give his life in World War II. In commemoration of his service a plaque was presented to the Shady Methodist Church.

The county meeting of the Auxiliary was held in Ellenville Tuesday.

Recital Is Held

Woodstock, Nov. 29—The Town Hall doors were opened and Woodstock sat down to hear its sons and daughters Sunday afternoon. It was the recital given by the students of Anne Cousins. Soloists were: Peter Cohen, Larry Elwyn, Gwen Shultis, Joan Simmons, Mary Lapo, Genevieve Riela, Anne Fitzsimmons, Lee Carey, Mary Tripico, Emily Holmzer, Jean Peacock, Leona Salfass, and Elizabeth Allen.

Personal Mention

Woodstock, Nov. 29—To the people who forecast weather by the flight of the birds; what would you think of seeing a large white turkey heading south by train? Don't let it confuse you. It's only Howard Bell expressing a live Thanksgiving dinner to his son and daughter-in-law, Mr. and Mrs. Byron Bell, in Jacksonville, Fla.

Mrs. Margaret Kenyon entertained at Thanksgiving dinner the following guests: Mrs. Julia Leary, Mrs. Leona Salfass, Mrs. Wiley, Mr. Faggi, and Mrs. Louise Reeves, her sister from New York who is visiting Mrs. Kenyon over the holidays.

Mr. and Mrs. Arthur Myers entertained at a dinner Sunday night in honor of Helen Ames of the New York Herald Tribune.
Mr. and Mrs. Burton Bell will spend Thanksgiving day with their daughter and son-in-law, Mr. and Mrs. Joseph Ambrose of Kingston. Mrs. Wilmont Kinns was in Woodstock for Thanksgiving day.

She and her daughter, Billie Jean, were guests of Mr. and Mrs. William West at dinner.

For the first time in five years, Mr. and Mrs. Ismael Rose had all four of their children home for Thanksgiving.

Mr. and Mrs. "Bud" West have left Woodstock en route for Guatemala. They plan to return here sometime next spring.

Here's a little reminder from a town official: "When you open the letter containing the 1946 Christmas seals, don't forget to send your contribution to help in the fight against T.B. It could happen to you."

Mr. and Mrs. Rudolph Fiole entertained at cocktails on Thanksgiving eve.

Miss Jean Lasher and her niece,

Billie Jean left today for Cleveland, Ohio, to visit relatives. They plan to return around December 23 to have Christmas in Woodstock.

Miss Virginia Higgins, niece of Dr. O'Connor of Kingston, has leased the Norma Elwyn house in Woodstock for the winter.

Gives Opposition All the Dope
Ashland, Ore., (AP)—The Southern Oregon and Monmouth Normal school football teams had been in mothballs during the war but resumed hostilities this year. No scouting reports were available to either team, so the Southern Oregon coach sent this report on his own club to the Monmouth scout: "Squad green and small. Fair backfield, poor line. Have one good T quarterback. We are practicing on the lawn on a slight hill, so if you see some of our boys with one leg longer than the other you will know why."

Monkeys Run, Men Stay

"Trusties" from the local jail at Eskhowe, Zululand, now are stationed in the jail's vegetable garden to cope with mischievous monkeys which regularly rob the garden and cause wanton destruction. The plan works. The monkeys arrive before dawn, but regularly run away and live to rob another day. None of the prisoners, thus far, has fallen victim

DuBois' Daughter Hurt in Car Crash

Auto Runs Into Vehicle Parked in New Paltz

Jacquith DuBois, 4, daughter of Lewis DuBois, 36, of New Paltz, was injured about the forehead and upper jaw and also suffered from concussion when the Buick sedan operated by her father struck a parked car in New Paltz about 7:45 o'clock Thursday evening. Mr. DuBois had a slight laceration of the forehead. State Trooper E. P. Johnson of the Highland barracks made an investigation. Nancy Skinner of 200 State street, Albany, had backed her Buick coupe on Route 28 in the village. The DuBois car proceeding west struck the rear of the parked car. The injured were treated by Dr. Virgil DeWitt of New Paltz and released. There was no arrest.

Loan Has Lemon Tree Owned by Frank Fabiano

Frank Fabiano of Ulster Landing is well known in his home town through the large fish which he catches but only a few of his friends knew he was also a grower of tropical fruit until a large lemon tree in full bearing was placed recently in the Savings and Loan Association of Kingston building at 267 Wall street. This lemon tree, seven years old, bears twenty-eight lemons of varying sizes. Several of the fruit are fully ripe large yellow lemons while others are smaller and still exceedingly green. The lemon tree began to bear fruit at the age of four years and has each season borne a good crop since that time. E. Frank Fabiano, president of the Savings and Loan Association, had the tree brought to town and placed on display in the front office where customers of the association may marvel over the crop of fruit. In moving the tree from Ulster Landing to Kingston some of the ripe fruit were shaken from the tree.

Savings Banks Deposits Continue Steady Gain

A net gain in savings deposits of \$39,247,397 for October is reported for the 131 mutual savings banks of New York state by Robert M. Catharine, president of the Savings Banks Association. The total number of depositors served increased by 13,521 for a continuing high of 6,912,302. Deposits maintain their steady growth and are the highest, total being \$8,958,383,259. Deposits and withdrawals during the first ten months of 1946 have increased 34 per cent over 1945. Gain in new accounts, totaling 13,521 for the month, exceeds the 9,201 gain in October a year ago. Sales of United States saving bonds and stamps during October amounted to \$10,530,570. Redemption at redemption value were \$10,453,510.

Lurie, Gehl Cars Collide, Drivers Escape Injury

Vehicles operated by Joseph Lurie of Kingston and William A. Gehl of Buffalo, sustained considerable damage in a collision about noon Wednesday near the Maple Arch Homestead in Old Hurley, but both drivers escaped personal injury. Lurie told Deputy Sheriff William Frost that he had stopped or slowed his truck as he was about to make a turn into the Cole Brothers Dairy driveway when Gehl rammed into the rear of the truck. Investigators said Gehl failed or could not see the hand signal. No arrest was made.

Caunitz, Stang Are Hurt in Plane Crash in Storm

Walter H. Caunitz, local real estate dealer of 105 Elmendorf street and County Attorney Frederick H. Stang of 143 Harding avenue, were both injured Wednesday evening when the plane in which they were flying to Utica crashed in a rain and snow storm at Schenectady airport when an emergency landing was attempted after the ceiling had suddenly closed in as they approached Utica.

Mr. Stang suffered chest bruises but after spending the night at Schenectady Hospital continued to Utica by car on Thursday when Mrs. Stang motored to the hospital and returned to Utica with her husband. Mr. Caunitz, pilot of the plane, was considerably shaken up and suffered numerous body bruises, cuts over the eye which necessitated several stitches to close and he also has a very badly sprained ankle. Thursday his daughter, Mrs. Patricia Harris, motored to Schenectady and brought her father to his home where he was treated by Dr. Moseley. At first it was believed he may have suffered a fracture of the ankle.

On Way to Utica Wednesday afternoon Mr. Caunitz and Mr. Stang left Kingston about 3 o'clock to fly to Utica to join their wives and spend Thanksgiving with relatives. All proceeded well until they neared Utica when the ceiling suddenly closed in and rain and snow began to fall. With the Utica airport blotted out, Mr. Caunitz turned back and sought an emergency field. Bad weather continued to close in and over Schenectady the motor began to go bad. They circled Schenectady for nearly an hour attempting to locate the field through the storm. When they located the field Mr. Caunitz attempted to bring the plane in but in the darkness was unable to discern the field markers.

Other Trees Obscured In attempting to set the plane down he was able to see evergreen trees at one end of the field but other trees which were bare of leaves did not show up in the darkness and the pilot suddenly found himself dropping down toward high trees. In attempting to pull up to avoid the trees, the faltering motor was not able to bring the plane clear of the trees and the tail struck among the trees and the plane crashed to the ground amid the trees. The plane was wrecked. Mr. Caunitz freed himself from the plane and in attempting to get Mr. Stang from the plane injured severely his already injured ankle. Employees at the field immediately began a search for the men but because of the darkness and storm it was some time before they were able to reach the wreck and meanwhile Mr. Caunitz and Mr. Stang had started to make their way from the plane to get assistance. Hampered by their injuries it was over an hour before they were able to get across the field and an aid.

Today Mr. Caunitz was reported as recovering at his home. Wounded Buck Makes Off With Hunter's Belt

Tomahawk, Wis., Nov. 29 (AP)—Howard Wilson learned today that even though you can lead a horse to water you can't lead a wounded deer to camp. Wilson said he flushed a nine-point buck and shot him through the neck, stunning him. Figuring to save himself the trouble of hauling the carcass to camp, Wilson knotted a belt around the animal's neck, pulled him to his feet, and started leading it in. After about a mile, Wilson said, the deer suddenly regained complete consciousness, jerked the belt from Wilson's hand and took off for the woods on the double. "At least," murmured Wilson ruefully, "he'll be the only buck in Wisconsin wearing a belt necktie."

Wants Troops to Supervise Tehran, Nov. 29 (AP)—Premier Ahmed Qavam informed the governor general of the semi-autonomous Iranian province of Azerbaijan today that unless government troops supervised voting next month, Azerbaijan deputies would not be seated in the next Majlis (parliament). Qavam wired Governor Salomallah Javid that "neither I nor you nor any freedom-loving Iranian accepts Azerbaijan as separate from Iran."

Farm Value Increases Average per acre value of farm real estate in New York state has increased 47 per cent since 1939, a report by the Farm Credit Board of Springfield points out. Using figures prepared by the Department of Agriculture, the report indicates that nearly all of this increase has taken place in the past four years. Farm values in July, 1946 were only 5 per cent below the peak level of 1920.

He attended Kingston High School for one year before entering service.

Goldsborough Says Lewis to Be Tried

Continued from Page One

John F. Sonnett, chief government counsel then announced: "We are prepared to meet the requirements for both civil and criminal contempt action."

Lewis arrived at federal court 15 minutes early to hear whether he must stand trial on the contempt of court citation growing out of the soft coal strike.

The United Mine Workers' president looked refreshed after a Thanksgiving Day spent in seclusion. Stepping from his big limousine, he strode silently through a small crowd and entered the courtroom, where Judge Goldsborough had promised a decision on his motion to dismiss the contempt case.

Navy Capt. N. H. Collisson, federal coal mines administrator, was on hand as a probable first witness for the government if the dismissal motion is denied.

As the paralyzing strike entered its ninth day, a rising tide of unemployment left at least 90,000 idle in other industries directly affected by the walkout, directly darkened cities in more than a score of states, and passenger service on coal-burning railroads was sharply curtailed.

Steel fabricators predicted wholesale layoffs idling 100,000 within a week in Pennsylvania, West Virginia and Ohio.

No Belt Tightening But reports from the coal fields indicated that the miners had not yet begun to draw in their belts. Turkey or duck graced most Thanksgiving Day tables in Pennsylvania mining communities.

The proposal for a truce in the economy-sapping crisis came from Edward R. Burke, president of the Southern Coal Producers Association.

He told a reporter that if Lewis would call the 400,000 miners back to work, the owners of the federally-seized mines would be "very happy" to discuss contract terms with the union chief.

"We are even willing to talk about a shorter work week," Burke said yesterday. A reduction of the miners' present 54-hour week with no loss in pay has been reported to be one aim behind the determined United Mine Workers stand against the government. Lewis has not said publicly what he wanted when he demanded that the government reopen its contract with the U.M.W.

Lewis did not volunteer any comment on the Burke proposal. Nobody answered the telephone at his home in nearby Alexandria and he presumably spent Thanksgiving elsewhere after Wednesday's court session in which the government presented its case against him.

Shortly after court reconvenes (10 a. m. E.S.T.), today, District Judge Alan T. Goldsborough is expected to rule on Lewis' motion to dismiss the contempt charges. Lewis contends he was within

his legal rights in disregarding a court order to withdraw his "termination" of the United Mine Workers' contract with the government.

However, Judge Goldsborough commented from the bench Wednesday that no matter how valid the question of his right to direct Lewis to withdraw his termination, the union chief was still required to obey the court order.

The judge declared "anarchy" prevails where people ignore court edicts. He said Lewis and his union were "guilty of contempt" whenever they disregard court instructions.

With the dismissal motion by Lewis out of the way, Judge Goldsborough may turn next to the question of whether the Norris-LaGuardia Act applies in the case.

The act bars court injunctions or restraining orders in labor disputes, but the Justice Department argues it does not operate against the government itself.

If the proceedings before Judge Goldsborough are still going on next Monday Lewis would be prevented from going to Richmond, Va., to answer a summons from the Virginia State Corporation Commission.

That state agency has called on Lewis and his union to show cause why they should not be prevented from "selling" union memberships in Virginia.

Lewis' attorneys said they have been too busy to make any plans for answering this summons, which was tacked to Lewis' residence. Meanwhile Senator Elmer Thomas (D-Okla.) proposed to President Truman a special session of Congress to enact legislation authorizing courts to seize all funds of labor and management where a strike threatens "public health and safety."

will be more cooperation between the two parties if the President narrows the scope of his recommendations.

Senator O'Mahoney (D, Wyo.) said there should be no breakdown in government because Congress is controlled by Republicans and the White House by Democrats.

Service to Vets

Ex-servicemen in this state have been the beneficiaries of 817,706 services rendered by local veterans' service agencies and state veterans' counselors during a year of operation by the New York State Division of Veterans' Affairs. In the month of October, 69,305 inquiries were handled by these service agencies and counselors as compared with the average number of 67,475 per month for the 12-month period, according to a release today by Edward J. Neary, director of the New York State Division of Veterans' Affairs.

Thanksgiving Was Ideal Day in City

Many Ex-Servicemen Were Home for First Time in at Least 4 Years With Families

Ideal weather marked Thanksgiving Day in Kingston on Thursday, with the official thermometer registering from 37 to 46 degrees throughout the day.

The holiday was especially joyful for many families as it was for the first in four years that many of the boys and girls who saw service in World War 2 were able to spend the holiday at home.

No automobile accidents marred the day here, and the police did not find it necessary to make a single arrest during the day.

The usual union Thanksgiving Day services held at the churches of the city in the morning were well attended, and all of the sermons were marked by a note of optimism.

There was no special program arranged for the day in Kingston, but all of the theatres held special holiday programs, and many spent the afternoon or evening at the theatres, while throughout the city many homes entertained at holiday parties.

Following yesterday's sunny weather the skies were dark and overcast during today's morning hours. Last year on November 29, there was a heavy snowstorm in progress in the city with a total precipitation of eight inches.

So far this month no snow has fallen in the city while the total rainfall to date is .48 of an inch, according to the city engineer's records.

The lowest temperature recorded during the night was 38 degrees.

Carey Forfeits Bail, Car Was in Crash Wednesday

Rodney Carey of 53 Stephan street, forfeited \$5 bail when he failed to appear in police court today to answer to a charge of driving an auto without having a license. Carey was arrested by the police Wednesday night at 11:30 o'clock.

Carey was driving a Chevrolet owned by Ellen J. Collier Moore of Stone Ridge, over Downs street when he crashed into the parked Ford pickup truck on Alva Builey of 53 Downs street, parked in front of the Builey house. The force of the collision was such that it shoved the truck into the

parked automobile of Floyd M. Goolman of 53 Downs street. All three cars were damaged, but no personal injuries were reported to the police.

E. A. Hulls Dies

Russia Has Most Farflung Radio System in the World

By EDDY GILMORE
A.P. Newsfeatures

Moscow—Although it is not generally recognized abroad, Russia has the most powerful, most farflung radio system in the world.

Is thousands of broadcasting stations and its millions of loud speakers play an integral part in the educational and cultural life of the people.

The U.S.S.R.'s stations broadcast in 55 to 60 different languages to just the people within this country and in particularly all the main tongues of the world to those living in other nations.

To begin with, the Russians have radio sets, most of them equipped with short-wave receiving bands. Contrary to what you may hear abroad, the Russian people can listen to what they want and as long as they want.

Although there are numerous private receiving sets (the Soviet Union makes a good, inexpensive one with shortwave bands), most of the listening in this country is over the nation-wide network of government-installed loudspeakers. Soviet citizens can buy this simple, inexpensive speaker in almost every city.

There is no tax of any kind on radio receiving sets or loud speakers, as there is in England and no commercial advertising is broadcast on them as in the United States.

One can get a program almost any hour of the day, although the central stations shut down between 2 and 6 a. m. unless there is something especially important. To give a better idea, here is the average day's schedule:

The program opens with the sound of the Kremlin bells from Spassky Tower in Red Square, followed by the playing of the

RUSSIA CLAIMS radio was invented by Alexander Popov, whose bust is shown at right, while Russians view first model.

Soviet National Anthem. Then a voice says, "Good morning, comrades, this is Moscow speaking."

The first item is always news. This news is always ready by a man and a woman announcer alternating on various dispatches. After the local news, the radio gives dispatches from abroad. This is followed by a program summary for the day, then usually some light music.

At 7 a. m. another news broadcast is given, generally fuller than the one at 6 a. m., and then there are setting up exercises by an enthusiastic anonymous gymnast. At 8 a. m. stations carry the reading of Pravda's main editorial, and at 8:45 a. m. there is another news program. By this time most of those going to work in factories and offices have been reached, and the radio goes into its program of entertainment and instruction.

Children's programs take up a large portion of the morning broadcast. These include the presentation of patriotic plays, which are stories about the war or the Red revolution. There are also musical programs for children or the reading of poems and stories by various types of authors.

After the children's hour there are some folk songs, short concerts or the reading of some lengthy, studious report by an official or a worker.

All during the day entertainment is interspersed with the latest news. The afternoon is devoted to interviews, light music, recitations and, as dusk comes on, there are more programs for children. Often, there are presentations in which children participate.

In the evening there is a continuous flow of the news, follow-

ed by heavier, more serious programs. These include full-length operas or full-score symphonies, etc. Many of these broadcasts are done directly from the stages of theaters.

Public meeting broadcasts, if important enough, are put on at this time. Toward late evening stations often put on jazz bands playing dance tunes.

Russian stations go in for more recordings than the biggest stations in the United States or the B.B.C., but they seem just as appreciative of live entertainment.

The internal radio shuts down with the playing of a hymn. This entire program has gone out all over the Soviet Union on long, medium and short wavelengths. It reaches Russian listeners in the far-away Arctic, in the depths of Siberia, in the mountains and on the Pamirs, the rooftop of the world.

While all this is going on, Moscow and some other big cities are broadcasting special programs in many languages of the Soviet Union and the languages of foreign countries.

Special programs are given at various hours beamed to the United States, others to Britain. They are different, of course, than the internal programs, featuring commentaries on the international situation and giving the Russian side on many questions of the day.

Radio programs appear in the papers, and Russian listeners can map out their day or night listening.

In addition to loud speakers in apartments, many loud speakers are placed in the city at corners, on squares, and in parks. While these do not operate all the time, they are turned on for special occasions and holidays.

Russia is constantly building and rebuilding its radio, and its biggest stations are among the most powerful in the world.

Two Former Wacs Open Photo Shop Here

Two former Army Wacs, one from Dallas, Texas, and the other from Oakland, Cal., have opened the newly established Artercraft Photo Shop at 76 North Front street. Both are graduates of the Army's Public Relations Corps.

Ex-Wac Captain Charlotte McGraw, of Dallas, who rose from private to captain, served as an

Army photographer for four years, hitting every theatre of operation on the map.

Attached to the office of Secretary of War, Captain McGraw did official photographic work in Africa, England, the Philippines, China and New Guinea. Prior to the war she operated a photo studio in Hollywood for seven years.

Captain Frances E. Dunn served with the P.R.C. division in the Pentagon Building in Washington. She is a native of Oakland, Cal., where she was a free lance artist before the war.

Volunteers of America Drive Underway Here

One of the most active organizations in Kingston is the Volunteers of America which operate a day nursery at 24 Barmann avenue. The organization is in need of funds to carry on its work in the city, and a drive to raise the money needed is now underway here.

With very little in the way of assets, and with the aid of the public the Volunteers opened a day nursery on October 4, 1936, and have been in operation ever since.

Officials of the organization told of assistance they had rendered. In one case a girl without funds, and in another a boy, abandoned by his mother, was cared for until the father could be located. These cases and others were first cared for at the day nursery, but attendance at the nursery increased and it was found necessary to rent a house on South Clinton avenue, to take care of cases that could not be cared for at the nursery.

The following has been submitted to explain what work the Volunteers are accomplishing in Kingston:

Nursery—Mrs. A. and her husband got on splendidly until shortly before the birth of her seventh child, when he disappeared. The authorities found him in a hospital suffering from an unbalanced mentality. After the baby came, she went to work in a factory with her two older girls to help support her family. The oldest girl became ill, was hospitalized and passed away. The mother and the next two girls are now working to care for the family and the additional expenses. They keep living expenses at a minimum. We care for the pre-school children while the mother is working.

Mr. and Mrs. B. have had a series of illness and hospitalizations for both themselves and their family of boys. He is working, but his income weekly is five dollars less than their monthly rental. In addition they have heavy fuel and all expenses for cooking. Beside heavy living expenses, the wife must work in order to make ends meet and not incur any more indebtedness as well as pay on the heavy medical expenses.

A business man from Wall street stopped Mrs. Noble and told her that since a certain family had been able to leave their children with us while both parents worked, a long overdue account with him had been paid in full and the credit standing of the family greatly improved.

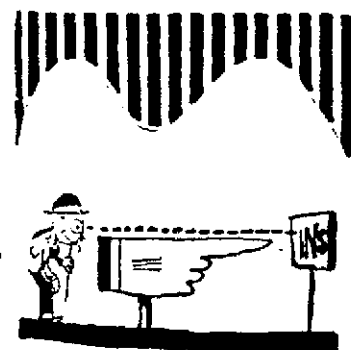

Emergency—Some months ago we received a call concerning a young girl. Both her parents had died while she was small and her grandmother had raised her. Then on the death of her grandmother she was left on her own. She met and made friends and later had a baby girl. She had worked until the day before she went to hospital. When she got out of hospital the rooming house she had been staying in refused to allow her to come in with her infant. We took her in, and cared for her and her baby until the baby was placed in a permanent home and she was able to go back to her employment.

Little M. is the child of unwed parents, both now married to others and he is consequently unwanted by each. While waiting a boarding home, he is housed at the emergency home.

Mr. and Mrs. F. have a job in one of the summer boarding homes in the Catskills. They plan to hitch-hike to it, and arrive in Kingston in the evening in a rainstorm. They and their four-year-old boy were given supper, night's lodging and breakfast and the bus fare to their new job.

Stiers Is Appointed

New Haven, Conn., Nov. 29 (AP)—The appointment of Newton I. Stiers, Jr., of White Plains, N. Y., as second secretary of the Yale Law School Student Association was announced last night. The association was formed last spring "to promote and organize social, recreational, and educational activities, and to represent the opinions and interests of the student body of the law school."

Social Security Cards Needed by Part Time Workers

Temporary or part time workers in stores, shops, offices, etc., during the Christmas season, are included in the coverage of the old-age and survivors insurance program and therefore need social security account cards. Jerome S. Blumberg, manager of the Kingston office of the Social Security Administration, stated today. Employers are required to report the wages and numbers of these employees in their regular quarterly tax and informational returns.

Housewives, high school students, members of the armed forces, teachers, and others who have not previously worked under the social security system are affected by this coverage. They need to know that they should have a card, where to get it, what to do with it, and how to safeguard it.

Those who have never had a card should apply in person or by mail for one at the Social Security Administration field office, Post Office Building, Kingston, N. Y. The Kingston office covers the county of Ulster. Those who have lost their cards should apply at the same office for a duplicate card; they should not ask for a new number. Each worker should have only one number, since it represents a social security account set up in Baltimore, to which wages are credited. Two numbers mean two accounts and a possible splitting of benefits when they are due. The card should be shown to each employer, so that he may copy the name and number exactly as it appears on the card.

"The social security card is the key to your wage record from which benefits will be figured. Keep it safe, and don't let it get into your own hands. Remember, one card, one number throughout your life time," Mr. Blumberg emphasized.

Frederic Balazs Will Give First Concert At Bard Wednesday

FREDERIC BALAZS

The first concert of the academic year at Bard College will be held on Wednesday, December 6, at 8 p. m. in the Music Center. The concert will be given by Frederic Balazs, a young violinist from New York City, who will be accompanied by Paul Seitzman, leader of the music department. Mr. Balazs, Hungarian by birth and American by choice, has concentrated in the eastern, midwestern and southern United States, giving more than 100 performances in five years. He is well remembered by Kingston audiences through his appearances at the Maverick Sunday concerts in 1941.

His program at Bard includes the violin concerto by Mendelssohn, a sonata for unaccompanied violin by Bach, a group of pieces by Stravinsky, Dohnanyi, Ravel and de Falla, and a violin sonata by Dr. Schwartz. The last named composition has received previous public hearings in New York, Chicago, Akron and Woodstock, as well as performances over New York radio stations.

As always, the friends of the college are invited to the concert.

June Stoutenburgh Is Wed Thanksgiving Day In West Hurley Church

The wedding of Miss June G. Stoutenburgh, daughter of Mr. and Mrs. Harry L. Stoutenburgh, West Hurley, to Edward R. Colombo, son of Mr. and Mrs. Roy Colombo, Waldwick, N. J., took place Wednesday at 4 p. m. in the West Hurley Methodist Church. The double ring ceremony was performed by the Rev. Wayne Wilcox.

Thomas Crosby was organist. Raymond Howe, Jr., soloist, sang "O Promise Me," "Because," "I Love You Truly," and after the ceremony, "O Perfect Love." The altar was decorated with evergreens and cypripediums. The church was in candle light from the white tapers placed in the windows.

Mr. Stoutenburgh gave his daughter in marriage. She wore a white slipper satin princess style gown trimmed with fingertip veil caught to a tiara of seed pearls and orange blossoms. She carried a cascade bouquet of white gardenias. Miss Louise Haynes as maid of honor wore a gown of pink satin and tulle. She wore a tiara of tulle and yellow rosebuds and carried a cascade bouquet of yellow roses.

Rev. Colombo, Jr., of Waldwick was best man for his brother, Escher Colombo, brother of the bridegroom, and Lewis DeGraff, cousin of the bride.

A reception was held for the immediate families and bridal party at the home of the bride's parents, Mr. and Mrs. Colombo, on a motor trip to New York City and Pennsylvania. For traveling the bride chose a gray gabardine suit with black and white accessories, fur topper and gardenia corsage. They will make their home at 41 Highland avenue, Waldwick, N. J.

Mrs. Colombo has been employed by the Western Union Telegraph Co. Mr. Colombo is a veteran of three years service with the army in Europe. He is employed by the Erie railroad.

County Girl Scout Council Lists Series of Courses In Three County Districts for Leadership Training

The Ulster County Girl Scout Council is giving a series of training courses throughout the county. These courses are open to all adult girl scouts, including leaders, troop committee members and any others interested in scouting. Leaders will be shown many helpful means of conducting troop meetings, work on badges and will be assisted with any problems which may arise.

Training courses are to be conducted in Kingston, Ellenville and Highland as follows: Kingston District - Friday, December 6, from 10 a. m. to 12 noon at the Kingston Municipal Auditorium dining room. Meetings will be held December 9, 13 and 16 at the same time and place. January 7, Kingston District Committee training course, to be held at the Girl Scout office, 43 Crown street, 8 to 10 p. m.

Ellenville District - Friday, December 6, at 8 p. m., Ellenville High School. Second meeting at the same place December 13 from 7:30 p. m. to 10:30 p. m. Final meeting Friday, January 10, Ellenville District Committee training course will be held December 16, location to be announced.

Southern Ulster District - At Highland Central School Wednesday evening, December 11, from 7:30 to 10 p. m. Second meeting Wednesday, January 8, three hour course. Third meeting scheduled as yet.

Anyone finding they cannot attend meetings in their own district at the times specified and desirous of attending meetings in any district may contact the nearest Scout office for more convenient times. May contact her local District Training Committee representative.

Representatives from Kingston District - Mrs. Max Chalmers, 320 Main street, Kingston; Mrs. Casper Souers, Hinsdale street, Kingston; Southern Ulster Mrs. Gaston Nolin, Marlborough; Ellenville District - Mrs. Sidney Ernestine Wygant, Marlborough; Mr. Margaret J. Patten, 5 Park street, Ellenville.

All adults interested are urged to attend the first training course in their district, at which time an outline will be given of the training courses to be held at the future dates. A choice can be made at this time of the most convenient future meeting dates, if training courses in the proper districts cannot be attended. Each person attending is urged to bring a Girl Scout handbook and if possible, leadership guide of the group in which she is interested, either Brownie, Intermediate or Senior. She is to bring also her pencil, note-book and problems.

Doris Van Sickle Wed To Dr. A. A. Seitzman At Home Ceremony

Miss Doris Sahler Van Sickle of 14 Albion street, Passaic, N. J., daughter of Mr. and Mrs. Frank Belmont Crosbie, Port Ewen, became the bride of Dr. Albert A. Seitzman, 1 Amsterdam avenue, Passaic, at 8 p. m. Thanksgiving Eve. The ceremony was performed at the home of the bride's parents on Salem street, Port Ewen by Roger K. Loughran, justice of the peace, an old family friend.

A setting of banked greens in a bay window and candlelight was used.

Mr. Crosbie gave the bride in marriage. She wore a bridal pink satin dress made with cap sleeves and draped skirt. Her halo half hat of matching pink satin was trimmed with loops of satin and brown veiling. She wore brown accessories and brown lace mitts and carried an old fashioned nosegay of pink and white roses with white streamers.

Mrs. Hubert C. Miller of Orange, N. J., as matron of honor wore an aqua crepe dress trimmed with gold thread and bead embroidery, black shoes, long white gloves and aqua feather hair. Her corsage was pink and white roses. Ben M. Mathes of Lake Katrine was best man.

A reception for the immediate families followed the ceremony. Dr. and Mrs. Seitzman left for a wedding trip. The bride chose for traveling a black wool jersey dress trimmed with vari-colored sequins, winter white coat, black accessories. Upon their return they will make their home at 15 Faber place, Garfield, N. J.

New Male Chorus Group Organized at Catskill

A new group to be known as the Mohawk-Hudson Male Chorus Association was formed last week-end at a meeting held at the home of Merrill A. Sutton of Catskill, president of the Hudson Valley Male Chorus Association. The purpose of the new association is to promote good singing, fellowship and joint concerts with membership open to all clubs of the upper Hudson and Mohawk Valleys. All clubs of the area with male choruses are being invited to affiliate.

The Mendelssohn Club of this city with the Catskill Glee Club and the Apollo Club of Middleburgh have affiliated with the new organization.

Officers named are Harry Haig of the Schubert Club, Schoenectady; president; Kenneth Whittaker of Hendrick Hudson Club, Hudson; vice president; A. Douglas Greig of the Mohawk Mills Chorus, Amsterdam; historian; John Vickers of the Hendrick Hudson Club, Hudson; librarian. The secretary-treasurer will be appointed by the president.

REVERSING THE TELEPHONE CHARGES

A reader asks me: "Can you possibly tell me what I can do about paying my friends a telephone bill when I have to make long distance telephone calls from their houses? I mean, is there any way of avoiding the confusion and nuisance it invariably causes to get the toll charge from the long distance operator and then paying the amount to my hostess?"

To this I am more than glad to answer that nothing could be simpler than the "Collect" telephone call as a means of avoiding the confusion and nuisance you speak of. All you have to do is tell central to put in a call "collect." Central then asks the person you are calling if they will accept the charge. You then are put through and the house from which you are telephoning is not even given a record of the call since it is charged to the person who accepted it. However, since "collect" means that the person at the other end must pay for the call, such calls should not be made except to a member of one's family or to one's business.

Type of Dress Decides Hat

Dear Mrs. Post: Please tell me whether a woman speaker should wear a hat or go without when appearing on the program of a professional group meeting? I have been asked to speak to a group of our teachers at one of our regular meetings.

Answer: To wear a hat in the daytime is correct. In the evening unless the meeting is a very formal one at which you are wearing evening dress and therefore, no hats you would probably be wearing an ordinary day dress with or without a hat, as you personally prefer.

Don't Omit Jr.

Dear Mrs. Post: My husband is studying to be a doctor. After he has graduated, should he write his name as Dr. John Henry Blank, or as John Henry Blank, Jr. The latter would of course after he receives his medical degree, distinguish him from his father who is also Dr. Blank.

Answer: The suffix "junior" has nothing to do with title. It is as inseparable a part of his name as Blank.

Lace Tablecloth With Napkins

Dear Mrs. Post: Not long ago you answered that it was permissible to use a lace tablecloth on a dinner occasion. Please tell me what kind of napkins are most correct with an all lace tablecloth.

Answer: Those of fine linen with narrow matching lace edge are best. In other cases they should be white.

Sled Dogs, Planes Will Go on Trip To Polar Regions

Norfolk, Va., Nov. 29 (AP)—Old and new extremes in modes of Polar transportation—sled dogs and airplanes—are being loaded here aboard ships of the Byrd expedition, which will sail Monday for the Antarctic.

Aboard the group command ship, Mt. Olympus, Rear Admiral Richard E. Byrd's flagship, are 27 huskies, plus five pups, whelped since the sled dogs were rounded up in Labrador, Quebec and New England, six-foot chains permit the huskies to move about but prevent their getting close enough to each other to stir up combat.

Three patrol bombers, two helicopters and a scout observation plane have been loaded aboard the seaplane tender Pine Island and one helicopter and one Grumman amphibian aboard the Coast Guard icebreaker North Wind. Other ships sailing from Norfolk are the destroyer Brownson and the oiler Canisteo.

Also being loaded on the ships are large quantities of scientific and photographic equipment and sufficient foodstuffs to last eight months. Expedition spokesmen said that figures were not available on the amount of supplies on all the ships but that the store-rooms of the Mt. Olympus were filled to bursting with such items.

Thirty-five thousand pounds of beef, 40,000 pounds of pork, 100,000 pounds of white potatoes, 120,000 pounds of flour, one pound per person per day; 8,000 pounds of chicken, one meal per week for four months.

Eight thousand pounds of butter, enough for four months, after which canned butter will be eaten; 3,600 gallons of cola syrup, enough for each man to have 100 drinks per month; enough ice cream mix to make 10,000 gallons (imagine anyone eating ice cream in the Antarctic!); also, 100,000 candy bars, 16,000 pounds of coffee, 3,000,000 cigarettes, and large quantities of dehydrated foods and canned fruits and vegetables, as well as portable stoves, all packed in 30 days and all fresh vegetables in 45 days. The crew will use powdered milk after the first ten days.

And last but not least in importance—the ship carries enough turkeys to serve all hands two meals, one on Christmas and the other on New Year's Day.

New Hope Comes For 'Blue Babies' Through Surgery

Baltimore, Nov. 29 (AP)—Two years ago today, little Miss "E. M. S." was wheeled into the surgical amphitheater at the Johns Hopkins Hospital for a delicate operation to correct an insufficient flow of blood into her lungs.

"E.M.S."—her identity is a medical secret—died, but the operation performed 270 days later, that first attempt, has given new hope to the parents of "blue" babies throughout the world.

The surgical technique, developed by Dr. Alfred Blalock and Dr. Helen B. Taussig, head of the children's cardiac clinic, has been successful in about 80 per cent of the cases.

There was no "blue" baby operation on the schedule today. Ten-year-old Judy Connor, (former Lowell, Mass. girl) who lives at (8403 122nd street) Richmond Hill, N. Y., was to have been the "anniversary" case, but her operation has been postponed a few days.

In the two years since E.M.S. was operated on, the hospital has been besieged with letters and telegrams from parents of afflicted children. The cardiac clinic has performed 250 more operations and has made appointments for examinations at the rate of two a day through next May. It has 200 other requests for appointments.

"Blue" babies are born with a malformed heart which prevents the blood from getting enough oxygen. Without the operation, virtually all are doomed to some invalidism and early death.

Not all "blue" babies can be helped. Those who fall into the inoperable category must wait and hope that the constant research at Hopkins and other hospitals will one day result in a cure for their type.

Pauley Outlines Way To Curb Jap Power

Washington, Nov. 29 (AP)—Edwin W. Pauley, U. S. reparations commissioner, proposed today that Japan be stripped to a remnant of her once-powerful merchant fleet and otherwise sharply curbed from domination of East Asia as a barrier against future aggression.

Pauley's recommendations, sent to President Truman and passed on to Congressional Foreign Affairs Committees, are expected to form the basis of United States policy at an 11-nation reparations conference early in December.

Under his plan, Japan would be reduced to:

A fleet totaling 1,500,000 tons, with no ships over 3,000 tons or faster than 12 knots.

Complete absence of war and munitions industries, including magnesium, aluminum and synthetic oil plants, and removal of at least 50 per cent of electric power facilities.

An annual steel and iron output of 2,750,000 tons—less than two per cent of U. S. production.

Less than one-third of current machine tool supplies, leaving 175,000 and removing 600,000.

Supervisors Vote Part in Welfare

Continued from Page One

same as in 1945," replied Mr. Battefeld.

That there had been only one major change in the assessments in the town during the past year and that was on one property. "This is the property of New York city," he said the committee felt that this one change had not been of such an amount but that the one point drop was justifiable.

The vote was then had and the table adopted. On the roll call Supervisor Williams of the sixth ward said he was a member of the Equalization Committee but he did not think the table was a just one. For three years he said he had been a member of the committee and he felt the table was "no good." Three years ago the city of Kingston had a ratio of 73%.

Kingston was reduced two points and then through an error it lost another point. "That error has been corrected and still the ratio has not been restored to Kingston," Williams said. He said he believed the state table should be adopted as recommended. "Is the state wrong, is Governor Dewey and those in Albany wrong?" he asked. "I don't think so," he continued. He said he felt the state table should be put into effect.

Resolutions of the previous session were called up and adopted. A telegram was read from Acting Governor Hanley in which the emergency measures for conservation of coal was explained. It called for all municipalities to practice the brownout and conserve fuel during the soft coal miners strike. A second telegram was read stating that second class villages also came under the new regulation which made mandatory the conservation of coal through dimouts. Miscellaneous orders of the order will be available on Monday night and will be given to supervisors to carry out in their towns.

Clerk Simpson read notices of the annual inspection of the Tuberculosis Hospital on December 4. Inspection of the County Board will be on December 5. The Committee on Printing Proceedings will meet November 29 at 7 o'clock to open bids. All supervisors bills must be in by December 3.

Supervisor Bell of Olive deposited \$5,000 with the county treasurer to be credited as a reduction on general taxes of the town. Over a period of three years he has accumulated a considerable surplus in the town's General Fund. Under the law this surplus cannot be used for highway work or for other special use and can only be used toward reduction of the general taxes of the town. The sum was therefore deposited with the county treasurer to be applied for that purpose.

The Board adjourned to meet on Friday evening at 7:30 o'clock.

Ahavath Ball Is Enjoyed by 2,500

Alvino Ray's Orchestra and Stage Show Are Well Received

An estimated 2,500 spectators enjoyed Ahavath Israel's Thanksgiving eve ball in the municipal auditorium where Alvino Ray's orchestra and a New York stage show featured the program arranged by committees directed by H. G. Ratalowsky as general chairman.

Chairman Ratalowsky expressed his appreciation for support he received in running his ball for the congregation in his remarks from the stage Wednesday night.

"The thought for the grand way in which my committee functioned in arranging this affair, and for the way the public has patronized it."

Compliments from Mayor

Mayor William F. Edmuth, only other speaker, welcomed the large gathering as heart of the city, briefly touching on the spirit of Thanksgiving on the eve of the holiday. He complimented Chairman Ratalowsky and his committee on arrangements for the ball.

After the overture by Alvino Ray in which the entire band participated.

of "Tumbling Tumbleweeds" Archie Robbins, direct from the Roxy Theatre, took over as master of ceremonies. His humorous quips furnished laughs galore.

Emmet Oldfield and Eddie Wingo, comedy acrobatic team, were well received in their operatic act, and Gene Marrow, featured soloist with "Evening With Romberg" was a thoroughly appreciated for his rendition of "It's a Grand Night for Love," "Shine On," "The House I Live In" and "Hi, Hi, Hi."

Louis and Ames, popular in the days of top-light vaudeville, furnished many laughs with their comedy, and Comedo and Comedo did a novelty dance. Comedo played a violin as her partner whirled her about and held her above his head.

Diane Courtney a hit. Diane Courtney was a hit as she sang "Only Five Minutes More" to each the crowd in the beginning and "Someday We'll Take It Away" for the finale.

The Four Corners quartet, a quartet of Negro dancers, closed the show with a fast routine in which they were joined by Archie Robbins, who thanked the audience at the end of the performance for the way they received the show.

After the stage program, Alvino Ray's orchestra played for dancing until the war began. A special arrangement that put Jimmie Jones with his Army and Air Force band, and a band for his piano offerings began with an attack of malaria, it was announced. Colquhoun, a former man, and all of the other members of the band are recuperating.

HE WAS A 97-POUND WEAKLIN' UNTIL HE ATE AT CY'S DINER?

"Once upon a time there was a fellow who was so weak he could scarcely lift a knife and fork. Then he visited this popular diner and ate some of the nourishing food. Today he weighs almost 632 pounds, and can lick his weight in wildflowers. Let me tell you . . . He's strong for CY'S — How about you?"

Knights to Confer Degrees at Local Hall December 1

Kingston Council 275, Knights of Columbus, will hold a first and second degree on Sunday, December 1. There are about 50 members wanting to receive these degrees. The ritual work will be in charge of a trained degree team. The starting time is 1:30 in the afternoon and there will be delegations from other councils present.

Grand Knight Frank A. Reis has requested all members to be present promptly due to the large class of candidates. He and his degree team are rehearsing nightly for the occasion.

On Sunday, December 8, the major degree will be given under the auspices of the Council, by Joseph M. Foley and District Deputy Allen A. Baker.

SHOKAN

Shokan, Nov. 29. Peter Brandt of the Maritime Service, who spent last summer in the village, was up from Brooklyn for the week-end.

Miss Agnes Clarke postponed her trip to Los Angeles on account of the illness of her sister, Mrs. Harry Weeks, who has been suffering from a bad cold.

Timothy Perret, the new alignment of Route 28 will be along the hillside through this section. "Well, let 'em run it anywhere," says one citizen. "Just so long as they straighten out all those scenic curves between here and Kingston!"

P. C. James is getting out his backhoe to dig a road yard woodlot near Broadwood. The logs, cut in Tabor lengths, are sold to a Kingston tool handle manufacturing plant.

Late November, 1877, William Bogart and Jacob Coons, neighbors in the Coons district of Shokan, drove to Kingston with a load of cement barrel hoops. For breakfast on the return trip up the Plank road the men stopped this side the Higginsville Bridge and bought 126 heads of cabbage for a dollar. That same month, Jacob Coons and his son, Henry, staged a bucking bee at which the guests, shucked off 185 bushels of cabbages.

This job being done, the women of the house served one of those old-fashioned pot-pie suppers. Messrs. Coons and Bogart, turned the present Bostock and Vanderbilt, places, respectively. Mr. Bogart was the father of Mrs. Arthur Carter of Ashokan, while Henry Coons was a grandfather of Mrs. Rupert Everett of Kingston.

James Carpenter, Jr., who spent most of his boyhood vacations in Shokan, is studying at the Great Lakes Naval Training Station. "Jimmy" likes the service and purposes to continue as a member of Uncle Sam's Navy indefinitely. He recently spent a furlough with his parents in Richmond Hill, returning to his duties by airplane from Idlewild Airport.

Miss Margaret, the daughter of the Daily Freeman at the corner store, is thinking of writing a letter to Santa Claus. She opines the big roll of Frodo's thrown off the afternoon bus is almost too heavy to tote, that an express wagon will be needed for the return to the paper's local circulation doesn't seem much the satisfaction point. Maybe the obliging Margaret has got something there.

Mrs. John Adsit and infant daughter of Long Branch, N. J., are spending a few days at the home of Mr. and Mrs. Fred Adsit and Robert Adsit.

The servicemen's table in the village center will be perpetuated, according to members of the building committee. Subsequent funds for preservation of the memorial, said to be one of the most attractive in the country, remain from the subscriptions received during the weeks preceding the dedication ceremony.

Improvements along the first office road include extensive land grading jobs at the Henry Gobles, Inc., Fred Anst and Alfred Walderstein places. Soil for these jobs was hauled by truck from the south side of the reservoir. The trio of property owners have also done a lot of house painting this summer and have generally set the pace for residential improvements in the hub of the reservoir country.

Hurley Fire Meeting

The annual meeting of the Hurley Fire Department will be held Monday, December 2, at the fire house at 8 o'clock. There will be election of officers and a report on the year's work.

Joseph Ammer, president, said he would not be a candidate for reelection.

STAMPS in the NEWS

AP Features

Some of the most colorful of the post-war stamps to come out of Europe are those of Romania, whose recent issues publicize a wide range of subjects.

One of the latest series of stamps to come from the Balkan nation consists of the bi-colored semi-postals using such subjects as agriculture, sports, science and industry to symbolize its post-war renaissance. Although only single stamps have been noted thus far in stamp markets, the set in souvenir form, with inscriptions that describe the symbolism of each stamp, is in the possession of the Romanian Legation in Washington and apparently was issued in part in that form.

Each of the stamps has a colored border with a design in another color set in the center of a white background. A 10-plus-100 leu has a border with a farmer sowing wheat in the orange central design. The inscription on the souvenir sheet reads "Gold of the Crop; Bread of the People."

Three trackmen leaping over hurdles are pictured on a 10-plus-200 leu green and brown value which bears a souvenir sheet inscription "Through Sports Towards a Healthy Life." An 80-plus-200 leu purple and brown picture a student at his books. The souvenir sheet inscription describes the stamp as portraying "Treasures of Science in Service of the People."

NEW PALTZ

New Palitz, Nov. 27.—Mrs. Donald Beattie was elected president of the New Palitz Public Life Insurance Committee at the annual meeting Monday evening. Other officers are: Mrs. Laura Hopkins, vice president; Mrs. Elting Clearwater, secretary; Miss Ruth Garrigue, treasurer.

The fourth chapter of Dr. Sockan's book, "The Fine Art of Using," was reviewed by Mrs. Harry Ahlberg at the prayer and study meeting at the Methodist church.

Mrs. Herman Dubois entertained at a shower given in honor of Miss Marion Harp, who will become the bride of Charles E. Deyo. Mr. and Mrs. Robert Upright will entertain for the holiday Mr. and Mrs. Herbert M. Soule and sons, Herbert, Jr., Robert and William, with Borden Upright, all of Hartford.

The literature group of the Study Club will meet December 2 at the home of Mrs. Lafayette Parks. Mrs. Ralph Buchanan and Mrs. Milton Gregory will have charge of the program on "American Literature."

Mr. and Mrs. Elting Harp, Jr., and son of Mamaroneck were week-end guests of his brother in town.

Mr. and Mrs. Vernon Roosa of Dobbs Ferry visited relatives here over the week-end.

Mr. and Mrs. Irving Ruger have moved to Louis LeFevre's farm on the Modena road.

Reformed Church attended a meeting at the Shawangunk church Sunday evening.

Mrs. Thomas Harris is a patient at the Kingston Hospital where she is reported improving.

Mr. and Mrs. John Messmer, Jr., have named their daughter Susan. The Messmers are now living in Los Angeles, where he is building trailer homes.

The Legion meeting Monday evening was the first held in the newly renovated hall. Construction is still under way on the building. It was decided that the league basketball team would get under way the week of December 4.

A workman with a hammer over his shoulder is pictured against a background of a factory on an 80-plus-300 brown and purple described "For a Free and Happy Romania" on the souvenir sheet. A worker, a peasant and a scholar march beneath the Romanian flag on a 200-plus-400 green and orange value which bears the inscription on the souvenir sheet "Through Unity Towards Progress."

Two airmail stamps of the same series are a 200-lei blue with green border which pictures a two-motored plane at an airport, and a 500-lei blue and orange brown portraying the profile of a pilot against a sky in which three planes are visible. The souvenir sheet inscription for each is "In the Service of Peace and Progress."

Earlier Romanian issues include five postage and two semi-postal stamps marking the 25th anniversary of the Romanian Philharmonic Orchestra and featuring the picture of George Enescu, noted Romanian composer and conductor. Another set, issued to celebrate Labor Day last May, portrays workers in white silhouettes.

A recent test by Pan American World Airways of airmail stamps shows that a letter travels from this country to representative South American capitals in four to five days. Covers mailed from Washington November 1 arrived in Buenos Aires, Argentina, building. It was decided that the league basketball team would get under way the week of December 4.

Mrs. Allen Sheeley, a graduate of State Teachers' College, has taken a position in the grammar school at Edinville, Conn.

Huge Normandie Is Awaiting Junkmen

Port Newark, N. J., Nov. 29 (P)

The rusty, burned out hulk of the Normandie, former \$85,000,000 pride of the French Merchant Marine, was berthed today at her final resting place here, awaiting a crew who will begin cutting her into junk next week.

It took a fleet of 12 tugboats five hours and 30 minutes to push the 68,350-ton, 981-foot long vessel the less than 12 miles from a Brooklyn dock yesterday.

Bought for scrap from the U. S. Maritime Commission for \$161,680, the Normandie was being refitted for a troop transport at her north Hudson pier in New York when she was swept by fire and capsized in February, 1942.

values of the stock transfer stamps with the exception of the three and eight-cent denominations, which were never issued, and the 40-cent value of the 1945 series also are in stock.

Three values of the 1943 and five of the 1944 motor vehicle use stamps are unavailable. Many of those still in stock are poorly centered.

Collectors desiring to order stamps from the agency should address such orders to the Deputy Collector of Internal Revenue, room 1002, Internal Revenue Building, Washington 25, D. C.

Mrs. Lucille Kester, in charge of the agency, says that last year's receipts of some \$41,000 is typical of the annual income of the agency since its establishment. Mrs. Kester filled collectors' special requests on an informal basis prior to 1942.

It's no easy task meeting collector demands for undistributed revenue stamps, for Mrs. Kester finds that a large majority of the 100-stamp sheets yield no more than four or five such specimens.

As for buying trends, Mrs. Kester reports an increased demand for the motor vehicle use stamps since the tax on motor vehicles expired last June 30. The agency is now the only Internal Revenue Bureau office which is permitted to sell such stamps.

Revenue stamps now available at the agency are the 1945 and 1946 series of documentary and stock transfer stamps, silver purchase, firearms and 1943-44-45 and '46 motor vehicle use issues. All values of the documentary and silver purchase stamps, which range from one cent to \$1,000, are available. The same

Leaves From Boyle's Notebook

By HAL BOYLE

New York, Nov. 29 (AP)—If the thought of turkey hash today warms you, harken to the tale of a delayed Thanksgiving dinner in wartime—the first "champagne and chitlin'" party ever held on the western front.

The promoter was Lt. Roy Wilder, on leave at the President's request from the New York Herald Tribune.

When the first army press camp was squatting in a cow pasture in Normandy that had been cleared of German mines, there came a package from Spring Hope, N. C. "A quart jar of chitlins from Mom!" whooped Wilder.

He had to explain to all the Damsyances around that "chitlins"—the dictionary calls them chitterlings and says they are the small intestines of a pig prepared for eating—are highly savory to homesick gentlemen from below the Mason-Dixon Line.

They took one look at the whitish mass in the jar and began to walk away—fast. Some had a light supper that night.

But Roy, together with Lindsey Nelson, a Knoxville newspaperman then with the Ninth Infantry Division, and Don Whitehead of the Associated Press, gathered around the holy jar and swore a great oath on the memory of Stonewall Jackson.

"We'll eat these chitlins in Germany on Thanksgiving!"

Roy put the jar in a padded box. The box bounced safely across France, into Belgium, Holland and Luxembourg. Came Thanksgiving and the First Army had a big toe-hold in Germany. But the boy's couldn't all get together, so the party was postponed.

The jar of chitlins retreated along with the army during the Battle of the Bulge and nobody felt like a party that black Christmas.

Next March the army pushed across the Rhine at Remagen, so Roy decided that was worth celebrating with the chitlins. The press camp was then in a deserted German radio station at Euskirchen. At midnight Roy woke up the cook and had him light the army gasoline stove. He broke open the far-traveled jar.

"How you want 'em—semi-crisp?" said Roy, emptying the precious innards into a skillet. He

wouldn't trust the cook, a northerner, to do the trying.

"Crisp," said Don.

"Any damn way," said Lindsey. "I haven't had any southern cooking for three years."

The smell of crisping chitlins rolled through the camp room. As they finished their stonies, the muddy correspondents trooped in uninvited and joined the party. They took turns crawling into the mess sergeant's quarters and stealing eggs from the scotch supply hidden under his bunk. Roy opened a jar of his mother's home-canned sausage.

"Please let me have a taste of these chitlins," said John MacVane of N.R.C. He took a taste of the golden brown delicacy, sniffed tentatively—and everybody else pitched in.

"Champagne corks were popping, cognac bottles flowing from several cases donated by pals in the Ninety-ninth Division which had just overrun a German liquor dump containing 99,000 bottles, all full."

"Ain't that something—champagne and chitlins in Germany?" said Roy. "Shoulda had some turnip greens, watermelon pickles, black-eyed peas and cornbread."

Then a correspondent from the midwest, still dubious about the bill of fare, bit into a half-raw chunk of chitlins. He left, choking and clawing at his throat.

"Best gag of the evening," someone yelled.

The chitlins soon were gone and later all the glasses ran dry. In the morning one man looked crossly at the empty champagne bottles and complained:

"Now what am I going to shove in? Just when I got to like the feel of bubbles in my beard!"

U.N. Site Action Asked
Boston, Nov. 29 (AP)—Mayor James M. Curley says that selection of Massachusetts as U.N. headquarters would bring \$10,000,000 business here annually and has urged Bostonians to "telegraph or write at once a welcome to the United Nations site committee. In a Thanksgiving Day radio speech yesterday, Curley said that of more than 1,000 letters and telegrams received at local radio stations in response to a suggestion of "placidity" on U.N. settlement in Massachusetts, only 16 opposed selection of a three-square-mile area in the Blue Hills 12 miles south of Boston.

Maroons Sink Newburgh in First Half to Take DUSO Crown, 13-0; Six Maroon Players Chosen on Freeman All-DUSO Grid Team

Burkemen Finish Brilliant Season With 5th Straight

Kingston Gains 109 Yards Through Air in First Two Quarters; Protect Lead Rest of Fight

The greatest football team in the DUSO League finished its brilliant season by defeating Newburgh Free Academy last night in the first half of the game, 13-0. The Maroons, coached by Ed Weaver, won their fifth straight game, a record for the league.

Kingston's forward wall again stood up under steady barrages by Newburgh's backs and held them in their tracks. As in other games, players such as Ed Weaver, Harry Koch, Joe Carroll, Vince Carpio, Chuck Boston, Albany and Rizzo played great ball from start to finish. Most of them won the 60-minute route as well. The back field also covered themselves with jumps as Captain Arn Bellini, Buddy Jones, Don Titus, Bill Kirtus and Billy Blume carried on in top-flight style.

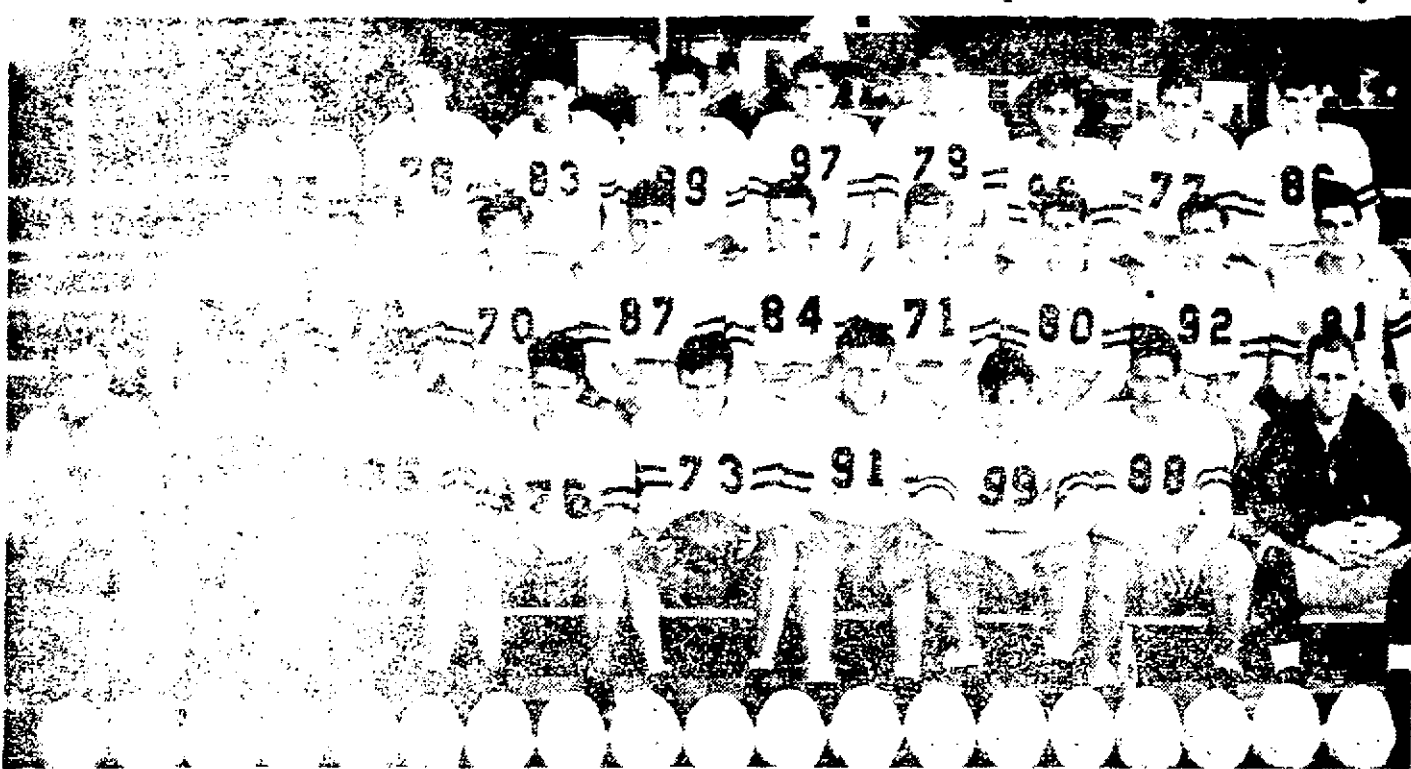

Fumble Aids Maroon
Kingston took advantage of a momentary lapse by Newburgh immediately after the Maroon kicked off. Tommy Spreer, N.E.A. halfback, took Harry Koch's kick on about his 20 and logged it back to the 27 where he was hit hard and let the ball bounce away from him. Captain Bellini recovered the fumble.

The Maroons tried two line plays but didn't make much advance and on third down Dee Titus faked back and whipped a pass out to the left to Mike Rizzo who grabbed the passing on Newburgh's 18 and enveloped down the sidelines. He was finally bumped out of bounds on Newburgh's back yard line. Bellini hit center twice and was stopped shot. Then on third down Arn bucked again and slashed through for the touchdown before most of the fans knew what was happening. Buddy Jones tried to push up the seventh marker on an end around but was dropped.

Kingston's halfback, early in the second quarter, Ed Weaver got when he was hit by Newburgh's line and fell. He was up in time to make a pass to the left to Mike Rizzo who grabbed the passing on Newburgh's 18 and enveloped down the sidelines. He was finally bumped out of bounds on Newburgh's back yard line. Kingston High Crowned DUSO Champions Thursday

Topping of a football season this day afternoon by defeating Newburgh Free Academy, Kingston High School's football team was crowned champions of the DUSO League for the first time in 10 years and with players. The Freeman presents the four outstanding players, Middletown High School, by downing Port Jervis, Middletown, 13-0, took second place while Newburgh was third and Port Jervis, 13-0, finished the campaign with a record of one league victory against one defeat. Middletown finished with two and two, Newburgh three and three, and Port Jervis and four.

Above are Kingston's victorious mole-skinners. Seated in the first row, left to right, are Coach Russ Cunningham, Ed McCordle, Charlie Boston, Vince Carpio, Harry Koch, Joe Carroll, Owen Riggins, Mike Rizzo and Coach Willard Burke. In the center row are "Big" Conlon, Dick DeLuca, Ed Blume, Captain Arnold Bellini, George Flemings, Joe Gardecki, Buddy Jones, Bill Fitzpatrick and Bill Kirtus. Shown in the top row are Joe Albany, Frank Nowacek, Harry Barnhart, Vince DeLuca, Don Laidlaw, Charlie Relyea, Al Esposito, Mike Fisk and Bob Gheer. Ed Weaver and Dee Titus, varsity tackle and quarterback respectively, were not present when this picture was taken. (Freeman Photo)

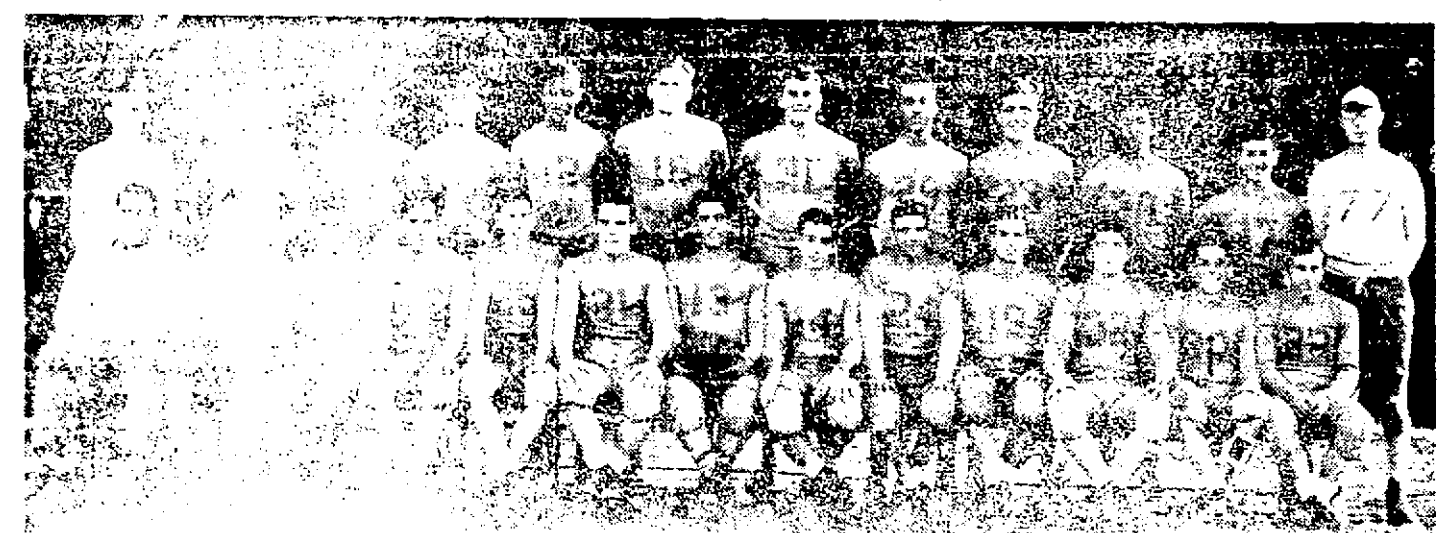

MIDDLETOWN SECOND IN RACE

Middletown High School, rated as the top team to beat this season, finished second in the DUSO League. In the above photo on the line, left to right, are Hank Kindberg, Pete

Seal, Nick Pizzo, Tommy Esposito, Hugh Summers, John "Dusty" Warren and Coach Willard Burke. In the back row are Joe Bernthoff, Louie DeStefano, Charlie "Red" Murray and Herc Thornton.

NEWBURGH FINISHES THIRD

Newburgh Free Academy's top domination over K.H.S. ended abruptly this season and as a result the Goldbacks wound up in third place with a record of one league win and as many losses. In the above photo on the line are Angelo Lamotta, assistant coach, Ed Weaver, Harry Koch, John Dabadi, Bill Taylor, Al Zito, Steve DeLuca, Don Anologia, Don DeLuca,

Tommy Spreer, Jack Muldowney, Don Anologia and Mario Roncini. Standing in the same order in the second row are Dick Conlon, manager, Ralph Yocco, Joe Rousini, Don LaFaro, Warren Eggleston, Wendel Sylvester, Lou D'Addio, Walt Freeman, Chamee Zellman, Ray Smith, Angelo Yocco and Coach Stan Henningsen.

Bellini and Blume In Backfield Spot On 'Dream' Outfit

Rienzo, Weaver, Koch and Albany Also Selected; Four Burkemen Are Named on 2nd Team

Six members of Kingston High School's DUSO League champions—Mike Rienzo, Ed Weaver, Harry Koch, Joe Albany, Bill Blume and Captain Arn Bellini—have been selected on The Freeman All-DUSO League team by Irwin J. Thomas, sports editor of The Freeman.

Burke Is Top Coach
An All-DUSO League team for 1946 would not be complete without a coach. Burke, Kingston's great gridiron mentor, who in his first year with the team, brought the championship to Kingston. On Mr. Burke's record with the local school this year, which seemed fruitless after the first couple of games, he is without a doubt "The Coach of the Year."

Both Blume and Bellini highlighted the Maroon backfield this season to the first DUSO League victory for Kingston since 1936. Herc Thornton and Joe Bernthoff, brilliant backs of Middletown High School, complete the first team backfield.

Mike Rienzo and Joe Albany, Kingston's two fine flankmen, give the All-DUSO team rugged pair of ends. Rienzo has been without a doubt the number one performer at his end position all year long. Albany, coming up gallantly from the second stringers to fill the vacancy left by Ed McCordle's injury, performed in spectacular style at the slot in the last few remaining games. Albany's catch of Dee Titus' pass beat Newburgh in the first game and he came back to supply the same dose Thursday when he went over for the second touchdown. Albany was selected over Warren Eggleston, Newburgh Free Academy for the first string berth.

Weaver at Tackle
Kingston's second entry on the line is Big Ed Weaver, outstanding tackle who did much to bring victory to the local school this season. Besides being an all-round menace to opposing backs breaking through the line, Ed did most of the punting for Kingston this year and in the second game with Port Jervis, got off a tremendous boot of more than 60 yards.

Weaver's nomination as number one tackle was not only made on his line play but for his brilliant shift from the end position which he started at the beginning of the season. After a few weeks of unsuccessful work at the flank, Weaver was shifted to tackle and from then on became one of the most expert tacklers and defensive stars.

The other first string tackle slot goes to John "Dusty" Warren, a rugged defensive player all the way who did much to give Middletown one of the finest line contingents in the league this season. Don DeLuca, Newburgh, and Hugh Summers, Middletown, hold number one and two guard slots. Both were instrumental throughout the entire campaign in making N.E.A. and M.H.S. definite threats for the championship and their brilliance on the line cannot be overlooked. DeLuca played one of

swept through, intercepted the aerial and was hit on Newburgh's 38 after taking it on his own 35. The interception went for naught, however, on the following play, when Mike Rienzo, on an end around, fumbled and Wendell Sylvester recovered on Newburgh's 30.

Locals Strike Again

Kingston opened a march for its second touchdown on Newburgh's 49 after D'Addio booted again and drove down deep to Newburgh's 11 yard line from which point Titus passed to Bill Kitsos who was downed on the Newburgh three, short of a first down. Before that play two more successful passes by Titus to Joe Albany and Bill Blume sparked the drive.

Newburgh immediately booted out with only a minute to play and Kingston took the ball on Newburgh's 34. A five-yard penalty sent the Maroons back to the 37 after one play. Titus again heaved a forward to Albany who caught it on the 25 and raced to the five before he was brought down from behind. Kitsos, hugging his tackle, slashed over for the touchdown but the play was called back and Kingston was penalized five yards. With seconds ripping off, Titus again threw one through the air to Joe Albany who snared it going away on the goal line and went over for the score. Bellini plunged over for the extra marker and Kingston led 13 to 0.

Content with that 13-0 domina-

tion, the Maroons played a waiting game during the final periods. In contrast to the first half, Kingston only tossed two aerials during the last two stanzas while Newburgh flipped six and completed three for 49 yards.

Newburgh made its best threat late in the fourth period after Weaver booted to the Goldback 17. Tom Spreer chucked a pass to Johnny Dubaldi who was hit on the 28 for a first down. Newburgh's hokus-pokus attack picked up another first down when Spreer heaved to Mario Ronsini who then lateraled to Warren Eggleston. Newburgh's left end, who nearly got away and raced to Kingston's 41 before Buddy Jones spilled him.

The threat fizzled, however, three plays later when Zeilman, attempting to pass, was knocked out of his face by Joe Albany who knocked the would-be passer down and grabbed the elusive oval.

Sideline Jottings

It's hats off to the entire Maroon club from the first man down. They all performed in satisfactory style. Kingston, strictly "darkhorse" team at the beginning of the season, blossomed out as a definite threat to Newburgh and Middletown after a miserable start and then finished in a blaze of glory Thursday in that big victory. . . . Kingston's first DUSO season when the Maroons went through an eight-game schedule and dropped only one game, that by 6 to 0 to Mt. Pleasant. . . . The second DUSO League champ was crowned in 1936 when the Maroons beat Newburgh Free Academy by 6-3 to clinch the title after losing earlier to Middletown. . . . This year's triumphant season is much more spectacular than all the others, however, since the club played six DUSO skirmishes. . . . Both previous championship teams were under Coach G. Warren Kias who bowed out of the grid picture after the 1939 season. . . . Kingston's new pilot—the well-liked Willard Burke—deserves the biggest pat on the back of all. He has worked wonders with this squad. After a while the boys got so hepped up about it all that they believed in themselves. This, above all, was important. It's something recent Kingston teams have lacked. . . . Russ Cunningham, number one aide to Burke, also is due a large portion of "congrats" for his outstanding work with the forward wall. Russ is a hard driver who knows how to get the best out of his men. . . . Thursday's contest was the 37th in a series which originated back in 1915. Kingston is still far from Newburgh though in a matter of wins. The Maroon double victory this year still leaves the Goldbacks with an edge of 21 to 14. Two other contests ended in ties. . . . A number of injured Maroon players sat on the Kingston bench and rooted their team to victory. They included Eddie McCordie, Joe Gardeski, Bob Gheer and Chris Lay. . . . The K.H.S. team came out on the field with new Maroon jerseys and white numerals. . . . Dick McCarthy, WKNY sports broadcaster, was situated on top of the Newburgh school airing the game for home listeners here in Kingston and vicinity. . . . Joe Carroll, playing his final game for the Maroon, went out of action midway in the third period when he was smacked hard. Coach Burke said later that he had a couple of torn ligaments in his leg but that the injury wasn't serious. . . . A few plays later Kingston returned the compliment when Captain Bellini knocked John Dubaldi out of the play on a terrific block and Dubaldi had to be carried off the field. . . . Tommy Spreer's gallop of 21 yards early in the final period was one of the best runs of the day.

Three Colleges Mark Turkey Day With Brilliant Games

Cornell, Colgate, Texas Six Kingston

Show Surprisingly in Giving Coaches Their Best

New York, Nov. 29 (AP)—Cornell, Colgate and Texas made the departure of their coaches memorable occasions in closing their 1946 football schedules Thanksgiving Day.

Walter C. Carr, who led Cornell to Penn at Philadelphia, 26-20, after scoring the daylight out of the Quakers, the game was one that Ed McKeever, who is leaving Ithaca after two seasons, can point to with pride.

The husky Penn forces were expected to trample McKeever's crew, but Cornell drew first blood, scoring the first time the Red put the ball in play from scrimmage and adding two more touchdowns in the final period after the Quakers thought they were out of danger. By losing, Cornell lost the mythical Ivy League title. The championship goes to Yale which has a 4-1-1 record.

The Texas Longhorns presented the venerable Dana X. Bible with a going-away gift in a 24-7 victory over Texas A. & M. Bible, who steps out of the coaching ranks after 34 years, saw his team—rated No. 1 in the nation in Mid-October—salvage a third place in the Southwest conference standings after an in-and-out season.

Andy Kerr's Colgate Red Raiders came through in storybook fashion to make his exit from the grid picture a pleasurable one. The Raiders were trailing Brown 7-0 going into the third period. Between halves Kerr pleaded with his charges to go out and get three touchdowns. They did just that and won 20-14.

Tulsa Takes Arkansas

Arkansas, already assured of tying for the lead in the Southwest conference, was beaten by Tulsa 14-13 despite a two-touchdown rally in the second half. The victory seemed certain to keep Tulsa in contention for a bid to the sixth straight bowl appearance. The University of Kansas wound up its most successful season in 16 years with a 20-19 triumph over Missouri's big Tigers.

The victory gave the Jayhawkers a tie with Oklahoma for the Big Six crown. Each team has four victories and one defeat.

In the Southwest conference, William and Mary trounced Richmond 40-0 to gain the runner-up spot to North Carolina's champions and win the Virginia state title. Wake Forest snowed under a crippled South Carolina crew 35-0. Virginia Tech downed its traditional rival, V.M.I., 20-7 and Davidson beat Furman 13-7.

Denver, Big Seven conference leader, trampled Colorado College 28-6 in a non-league game, while Utah State defeated Utah 22-14 and Colorado beat Colorado State 14-0.

A. & M. 18-0.

Bradley University was beaten by St. Louis 36-20 and Fresno State shaded Idaho 13-12. New Mexico A. & M. won from Texas College of Mines 14-7 and Wichita defeated Arizona State (Tempe) 34-19. Chattanooga thumped Cigar Bowl-bound Rollins 34-6.

Notre Dame Game Is Sold Out to 46,000 Enthusiasts

South Bend, Ind., Nov. 29 (AP)—One of Notre Dame's greatest defensive teams is favored to wrap up the first undefeated Irish season since 1941 in the finale of a nine-game campaign against Southern California before a sell out crowd of 46,000 here tomorrow.

The iron-ribbed once tied Irish have yielded only 18 points this season—and those three touchdowns were counted in desperation thrusts against reserves by Illinois, Purdue and Iowa.

22 Horses to Compete

Miami, Fla., Nov. 29 (AP)—Twenty-two thoroughbreds will compete for Florida's first winter racing stake event here Monday when the Tropical Park race course inaugurates another 120 days of racing. Buzfuz, owned by Miamian Dan Chappell, will carry top weight for the \$7,500 Added Six Furlong inaugural Handicap for three-year-olds and upward on opening day.

An impost of 150 pounds was assigned by Handicapper Francis Dunne yesterday. Tropical runs 40 days, followed by Hialeah for another 40 days and Gulfstream Park—last season's starter—will conclude the winter meeting on April 19.

Middies Await Big Game With Army

Philadelphia, Nov. 29 (AP)—"We're here and we're ready," said Navy Coach Tom Hamilton as the Middies polished up their grid plays today in last minute preparation for tomorrow's Army-Navy grid classic at Municipal Stadium.

Hamilton and his squad of 41 players arrived last night aboard three special railroad cars which brought them here from Baltimore for the 47th service classic.

Meanwhile as Army's squad prepared to leave West Point for the climatic game, Coach Earl Blaik reported his entire squad was in excellent physical trim and that most of the players who have been on the injured list will be back in action against the Middies.

Kingston Wins DUSO Grid Title

(Continued from Page 16)

gry fans, postponed until later their traditional turkey dinners and made the trip to Newburgh, plus several hundred private automobiles. It was simply a great crowd of wild roosters from Kingston who knew that the DUSO championship was at stake and that their favorite Maroon grid-der had an excellent chance to come home with the title if they had enough support. The result was nobody from Kingston was disappointed.

The big crowd began pouring through the turnstiles as early as 12:30 o'clock. At 1 o'clock when the big Maroon buses began arriving, the stands on both sides of the field filled up fast. By a half hour before game time all of the bleacher seats were packed to capacity.

No Traffic Assistance

The tremendous turnout of Kingston rooters experienced a rough time of it, however, on the return trip homeward. Gallant Newburgh policemen, who kept roving up and down the Kingston sidelines throughout the entire contest, were for some unknown reason absent from the scene when the long lines of automobiles began moving out after the game. Not a bluecoat could be found who was on hand to direct the hectic traffic lanes at the northern exit from the city. As a result, the roads leaving the Newburgh field were congested for a long period.

Bands Add Color

Bands from both schools, including the cheer leaders, drum majorettes also were out in full bloom. Thursday adding a lot of color to the traditional game between these two arch rivals. For awhile the pretty girls looked mighty cold but their antics warmed them up as the game progressed. Kingston's cheerleaders didn't take long warming up, either, when the first touchdown went over the goal lines only after two minutes and 50 seconds of the first period were played.

The usual after-game antics of a wild crowd took place Thursday when a number of fights occurred around the south end of the field. Kingston fans, right after the last play of the game, rushed towards the uprights and tried to uproot them but to no avail. The bluecoats also were there to protect the posts. The fights went on, however, and a couple of bloody, matted up would-be boxers were seen minutes later.

Commando Raid Reported

Although a goodly portion of Kingstonians were in Newburgh Thursday there were some others who made the trip down Wednesday night in a commando raid. The raiders painted one of the goal posts red while others painted huge signs on the school buildings and streets adjacent to the school. All in all, Thursday's terrific contest and everything that went on before and after, brought to a close one of the most spectacular football seasons in the history of the local school. It was a great finish for a club which looked mediocre early in the season.

Ward Cops Second Place in Poughkeepsie Event Thursday; Culver Is Third in 5-Miler

Eddie Ward, Kingston High School's top cross country runner for 1946, placed second in Poughkeepsie Thanksgiving Day. The event was held during the annual Cross Country Run sponsored by the Poughkeepsie Y.M.C.A.

Ward finished about 10 yards behind Jack Skokos, Elizabeth, N. J., runner who toured the course in 14 minutes and three-quarters. A field of 14 participated.

H. Neumont Culver, former Kingston High School track star running under the banner of Union College, Schenectady, placed third in the five-mile run. Fred Schoeffler, Schenectady, won the event in 28:35. Schoeffler competed with the Drake University
